Since this year marks our country's 200th birthday, there has been a great deal of attention given to the history behind this great nation. The bicentennial has caused us to stop and think about the people and events that have created our country's success. People have thought more of our forefathers and of the great beauty of the land that those men defended. The bicentennial has played a big part in the course of this year.

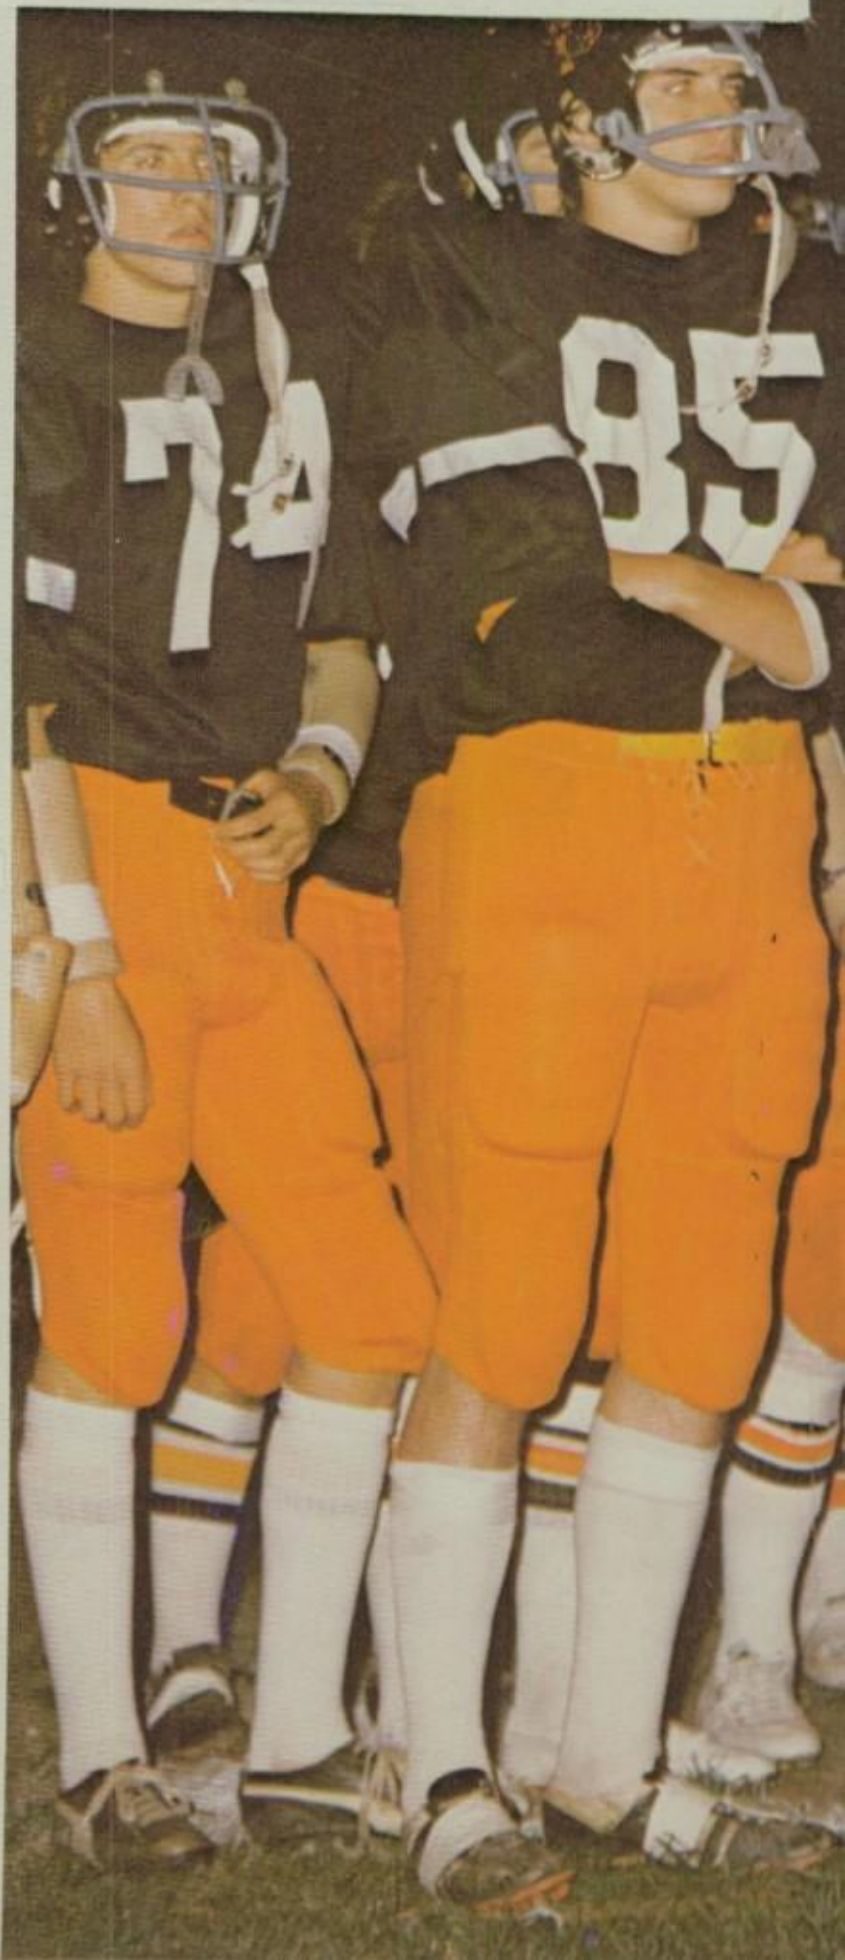

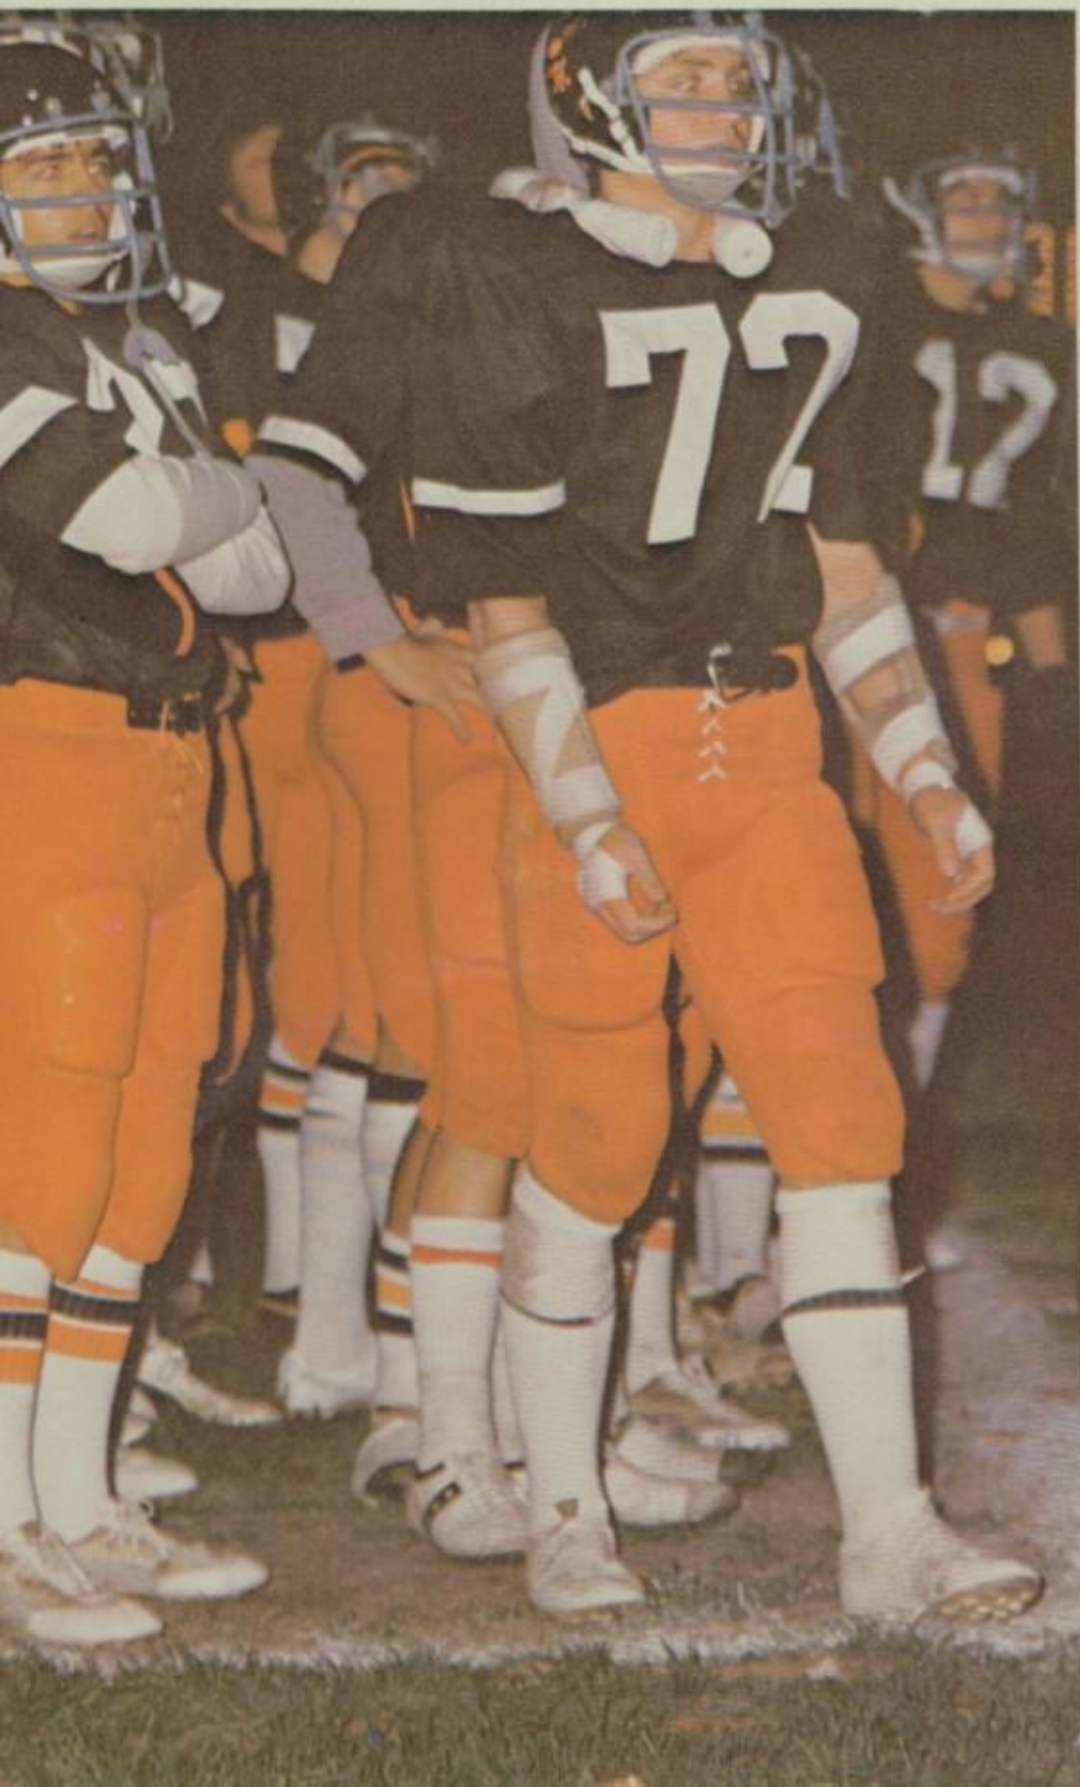

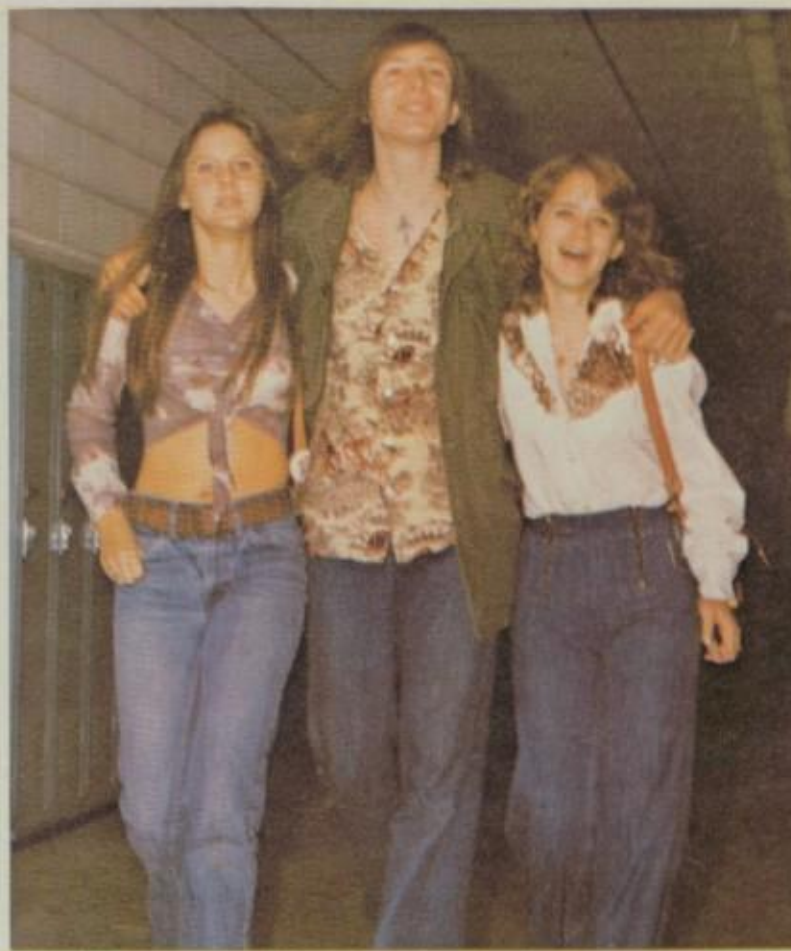

10 years gone. It's quite a change in time but it's an even greater change in surroundings. 1965—houses and empty fields covered the outskirts of this 1-year old school. 1975—stores, restaurants, and modern revisions were all a part of the changes in time.

Just as the United States has grown and developed as it celebrates its 200th anniversary, so has West grown and developed as it celebrates its 10th. When the time comes to celebrate once again West's next 10th anniversary, there will once again be many more and many better changes to look back on.

*B*ut, in years to come, you and I will not think back on our country's bicentennial celebration or our school's 10th anniversary. Instead, our thoughts will be of the days of our youth—our school days. This book will serve as a reminder of those days as we remember all the good—and disappointing—times we shared at West. Throughout the years we will be able to thumb through this book and remember an event we thought was forgotten simply by glancing at a picture or reading a phrase that reminds us of a special memory.

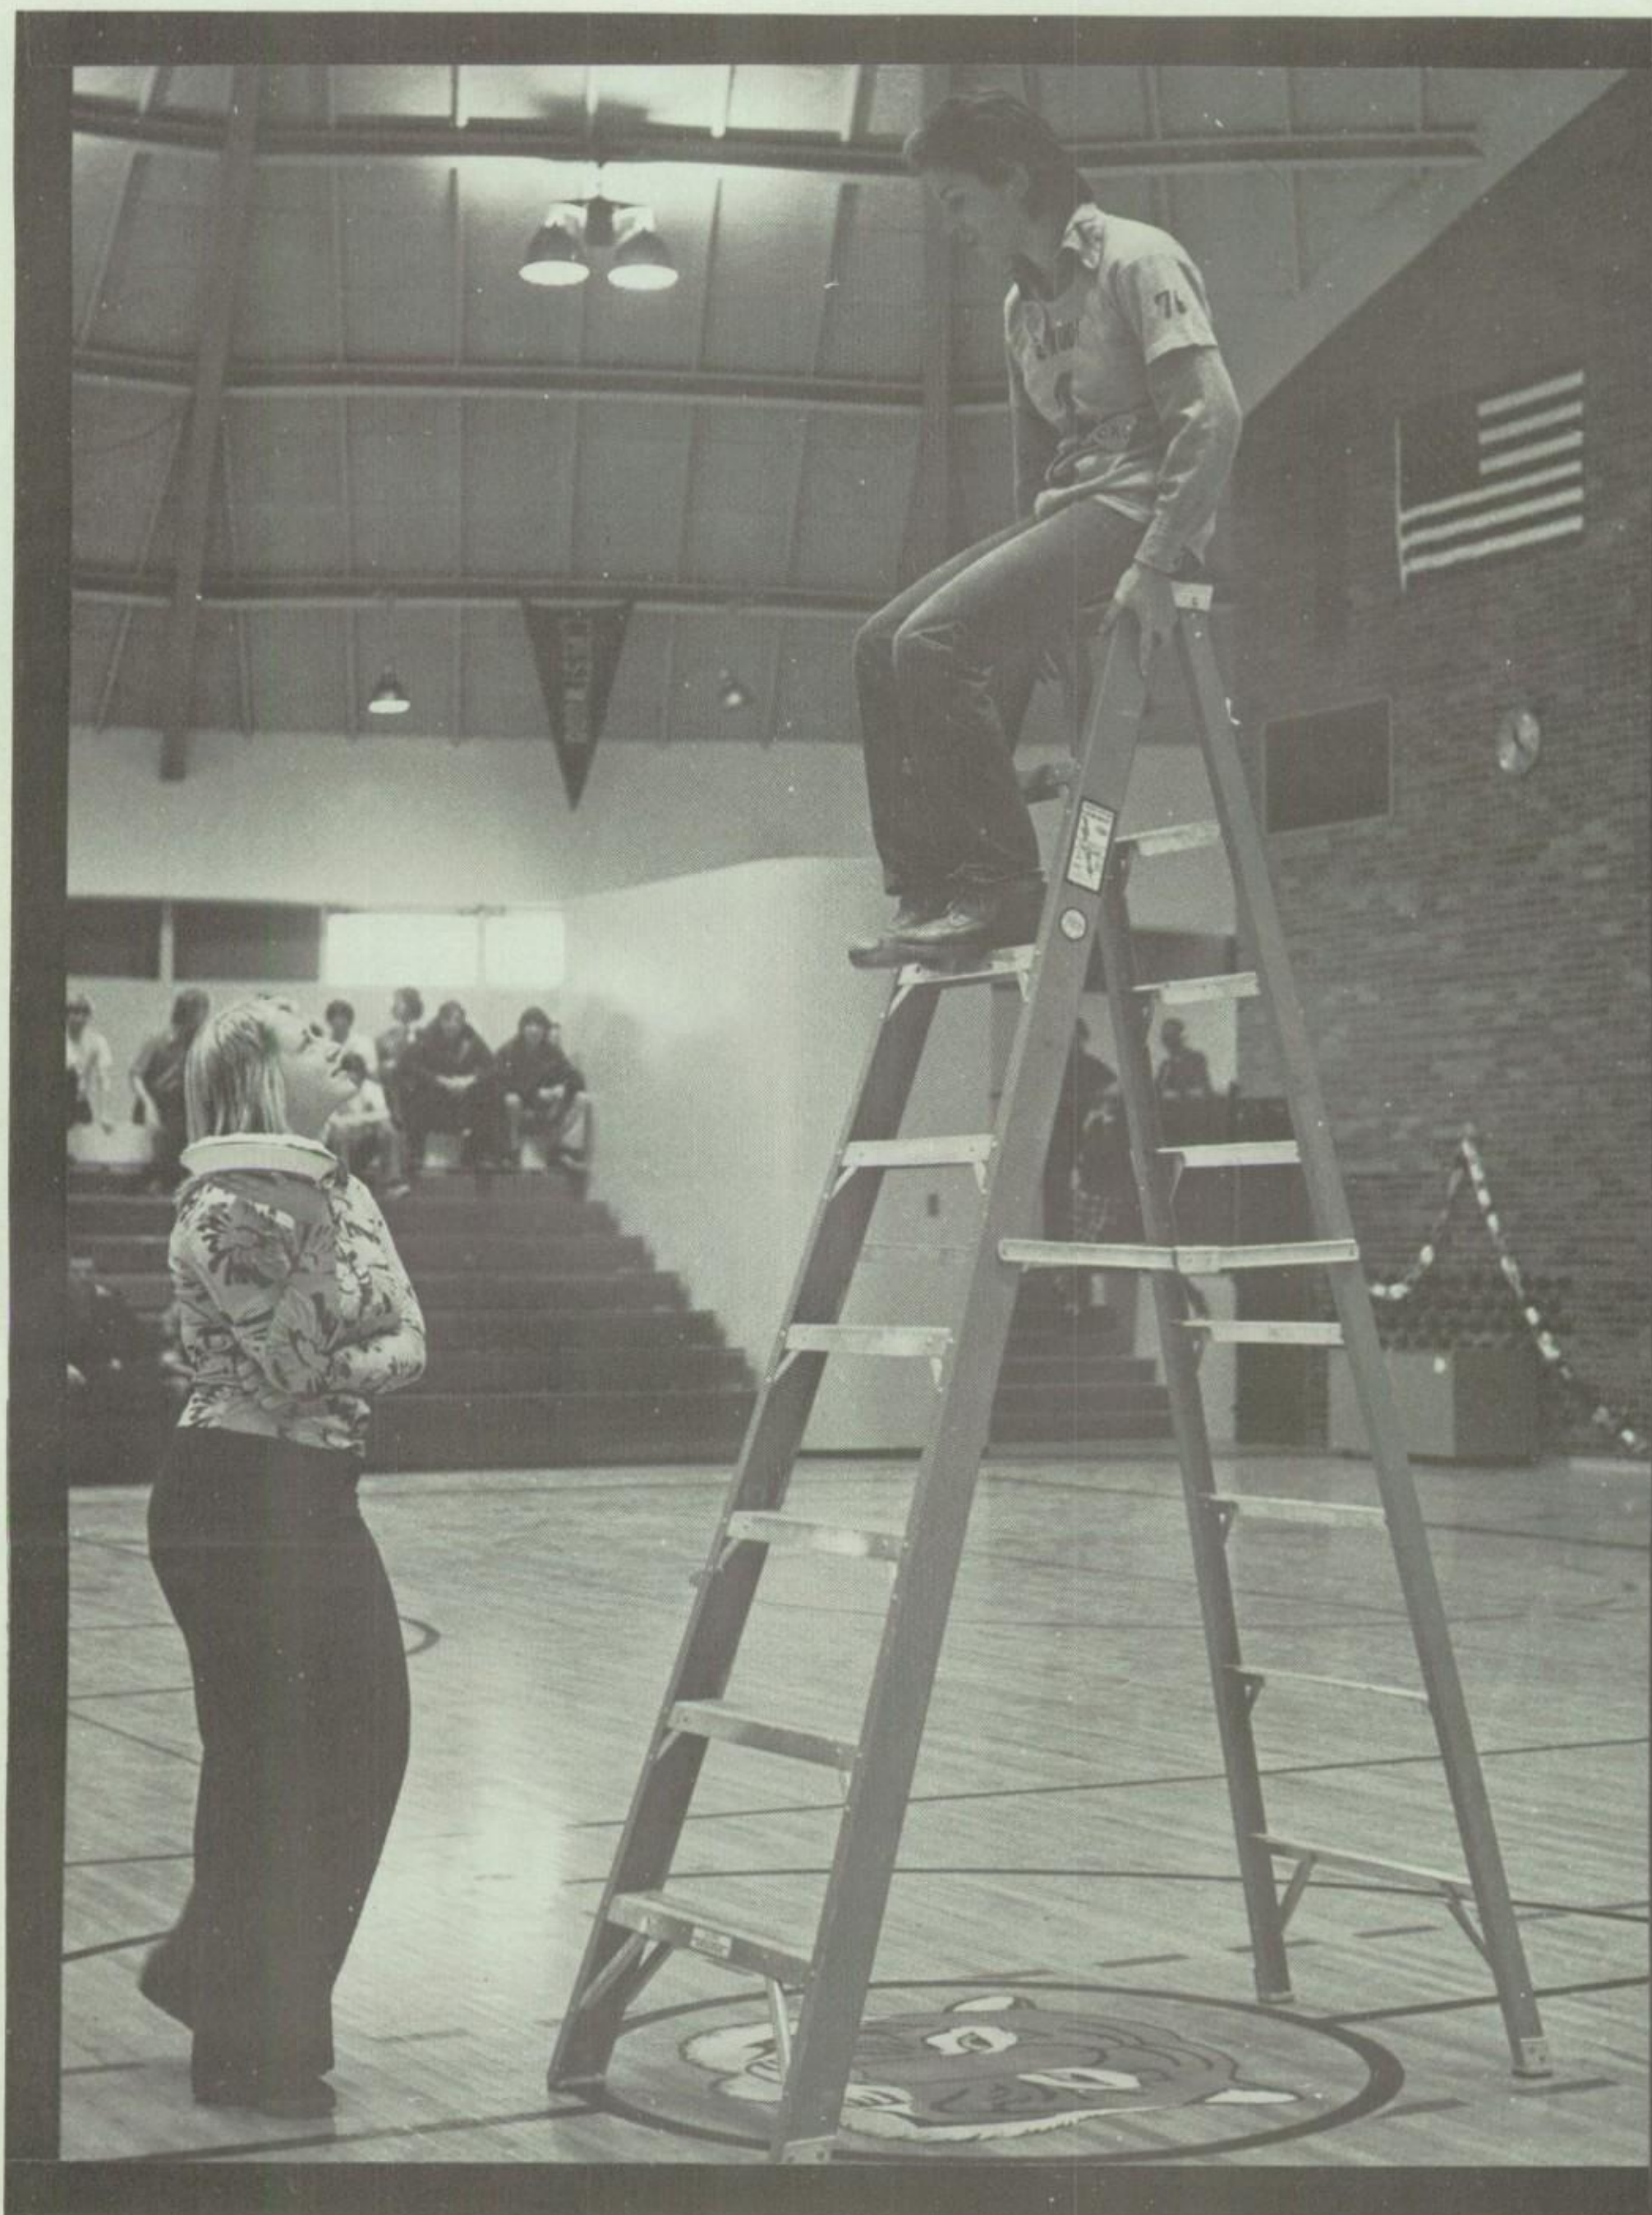

We will look through these pages and see a face that had slipped from our memory. This face will hold a special meaning because it will remind us of a time we thought we had forgotten.

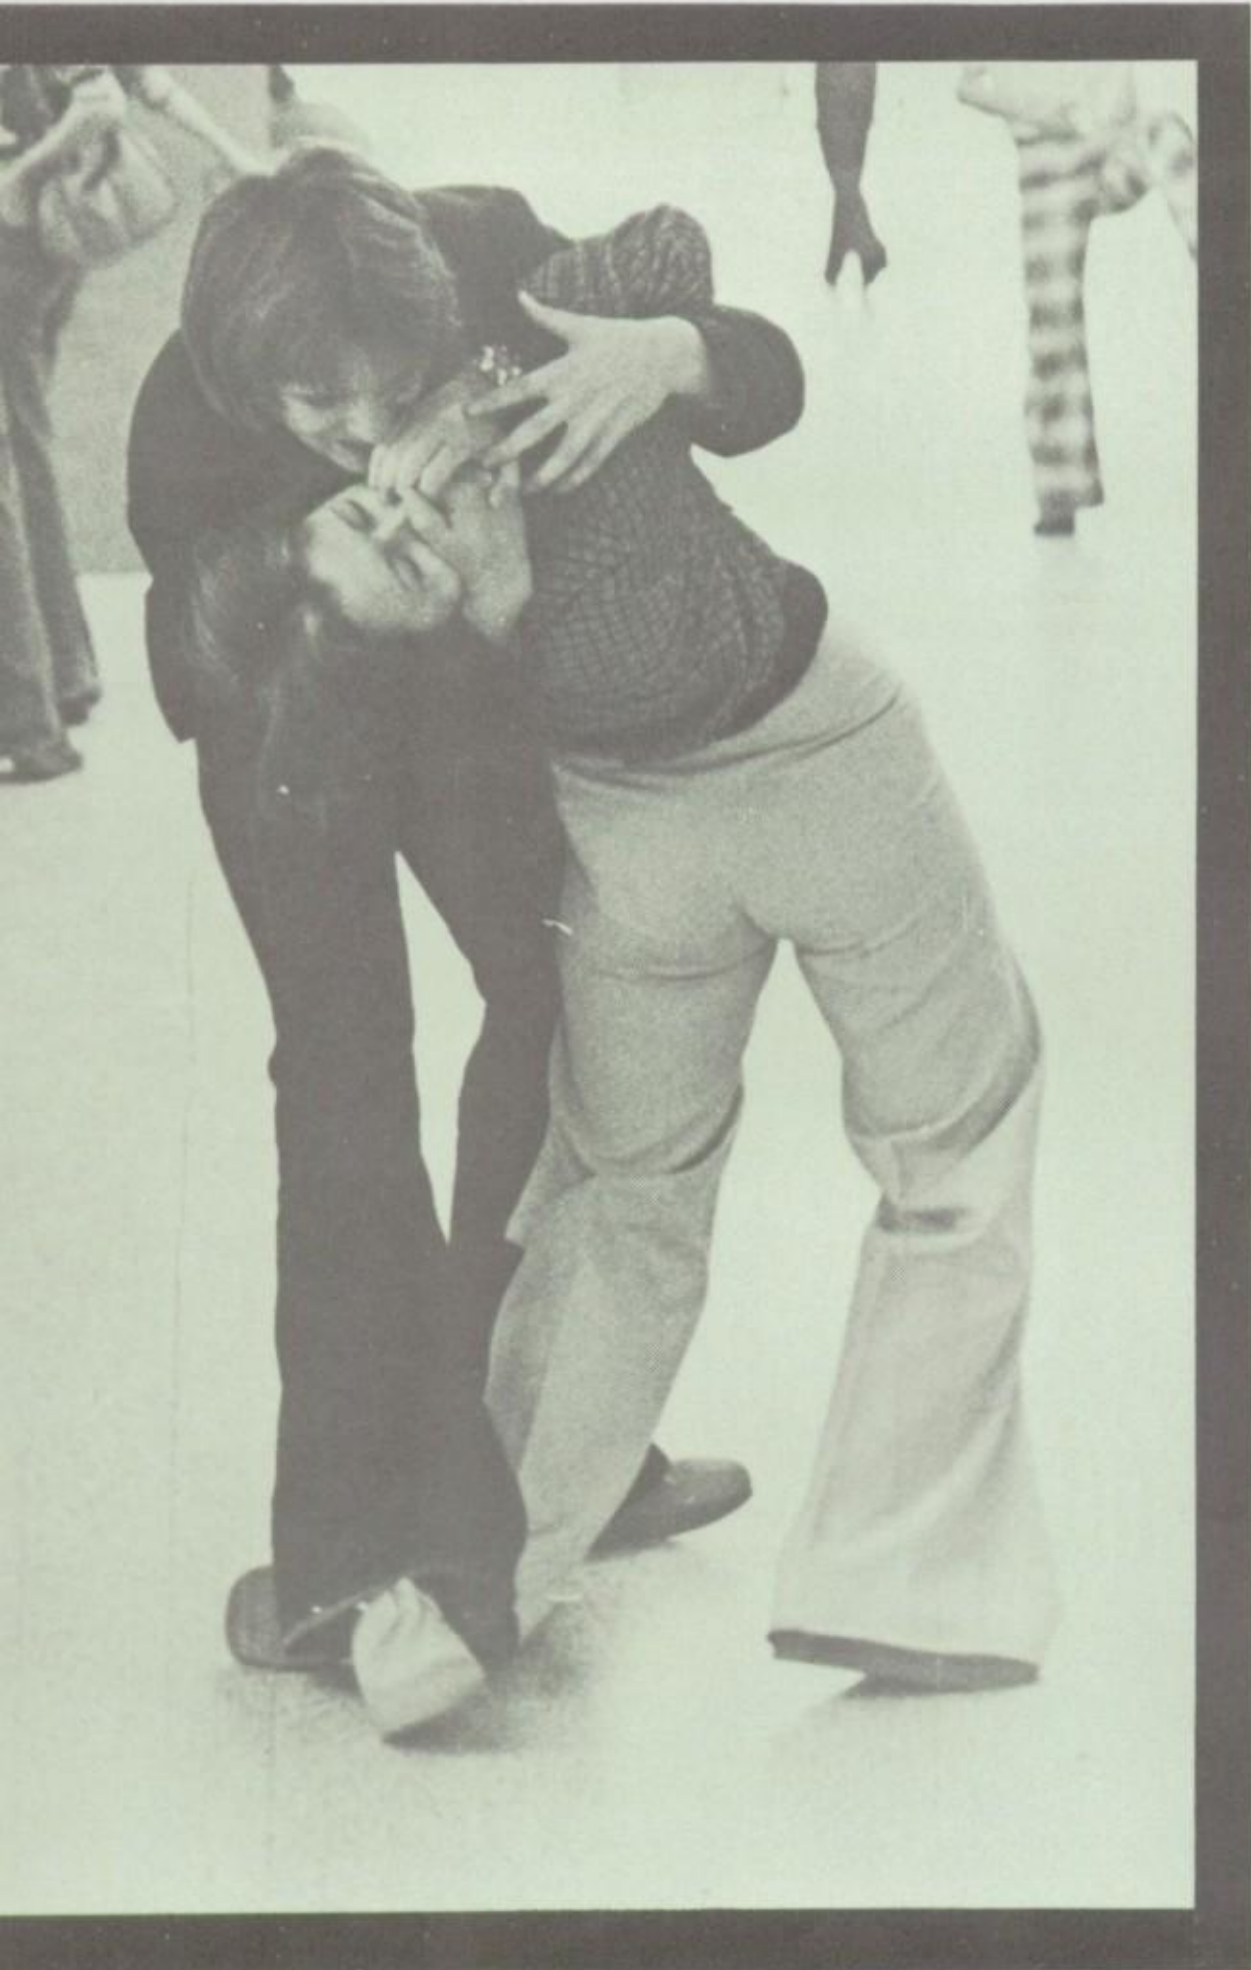

*a*fter looking through the book, we will set it down and perhaps have a good cry or maybe a good laugh and then we will return to reality. It will be good to look back and remember all the good times in the past but we must also be able to look forward with great anticipation to the future.

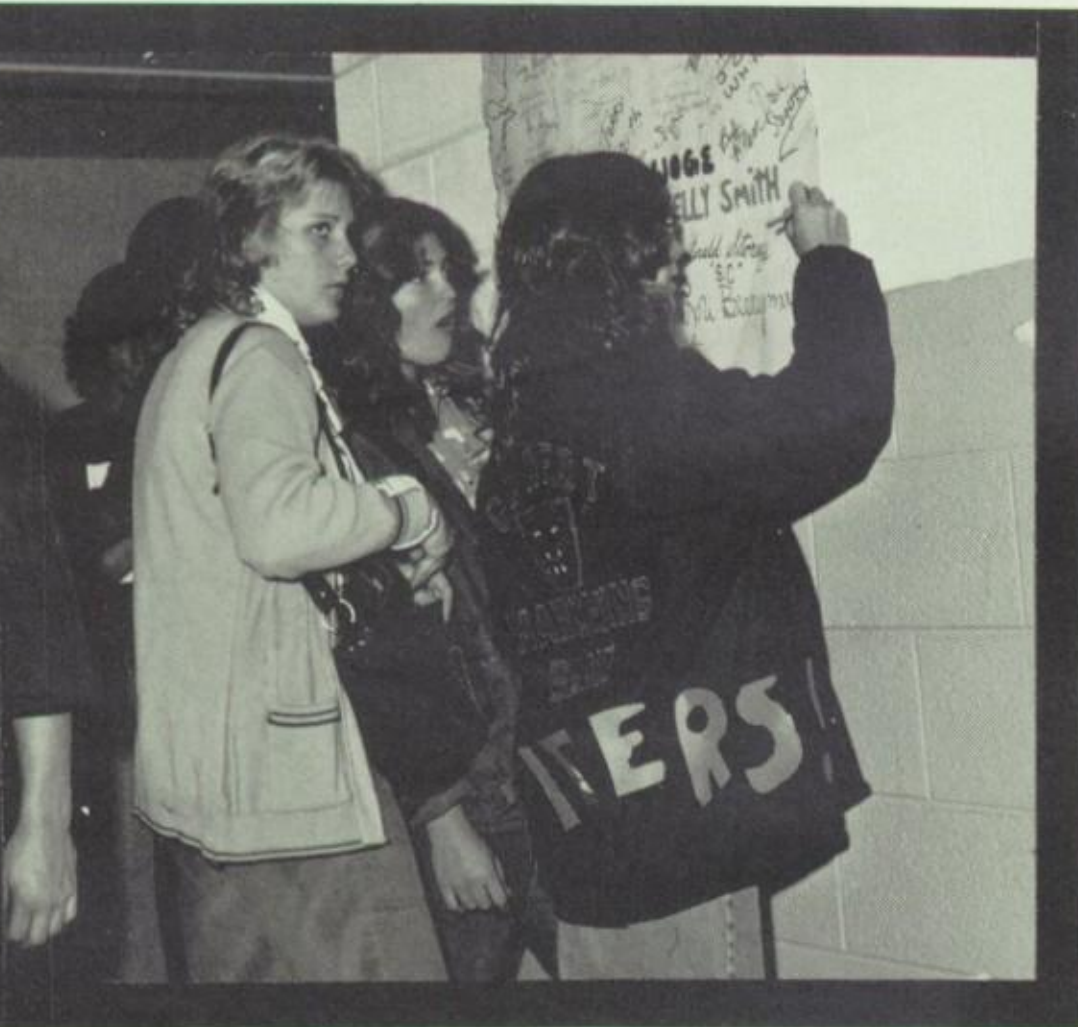

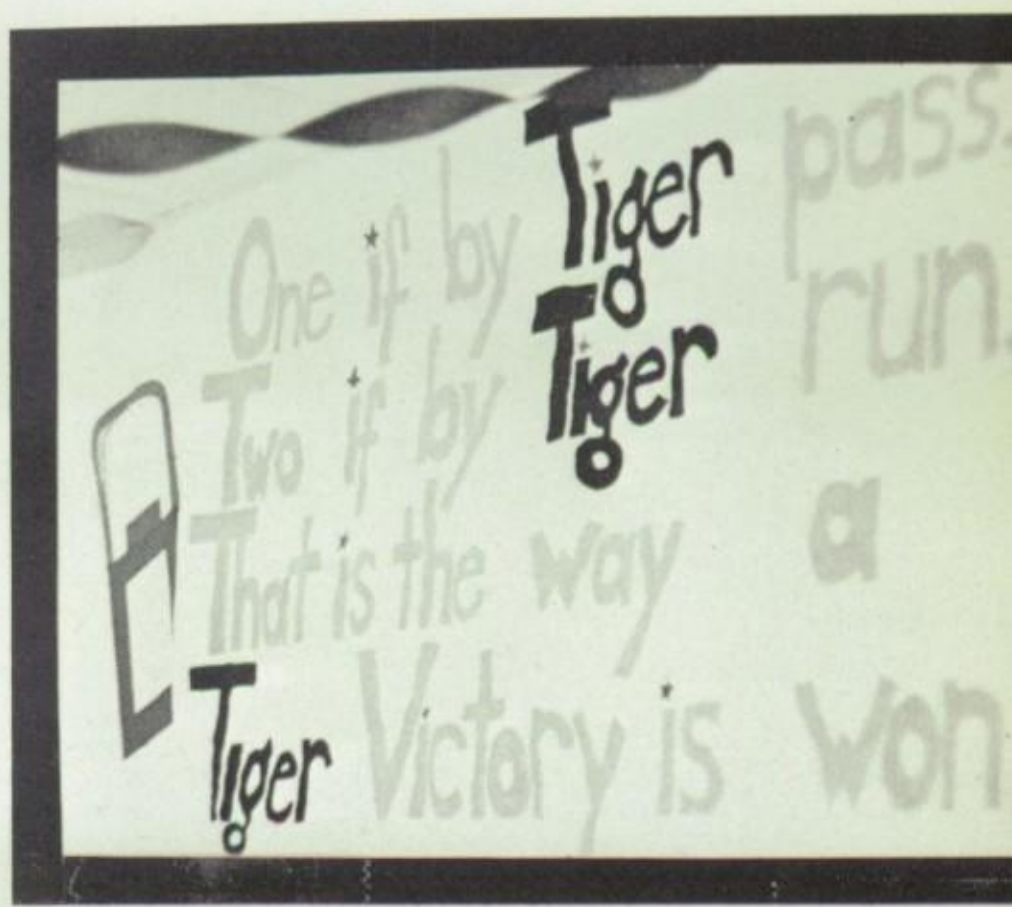

Activities

Classes Compete

The hall decoration competition was very successful. The seniors managed to maintain tradition by winning first place followed by the sophomore class who took second place. The students worked very hard from 3:00 Thursday afternoon til 11:00 that night. For the classes that needed more time to complete their halls, the school was open early the next morning.

The float competition was a little different this year. The Juniors took first place, sophomores held second place and the seniors followed in a shameful third place.

Spirits were High at Liberty Ball

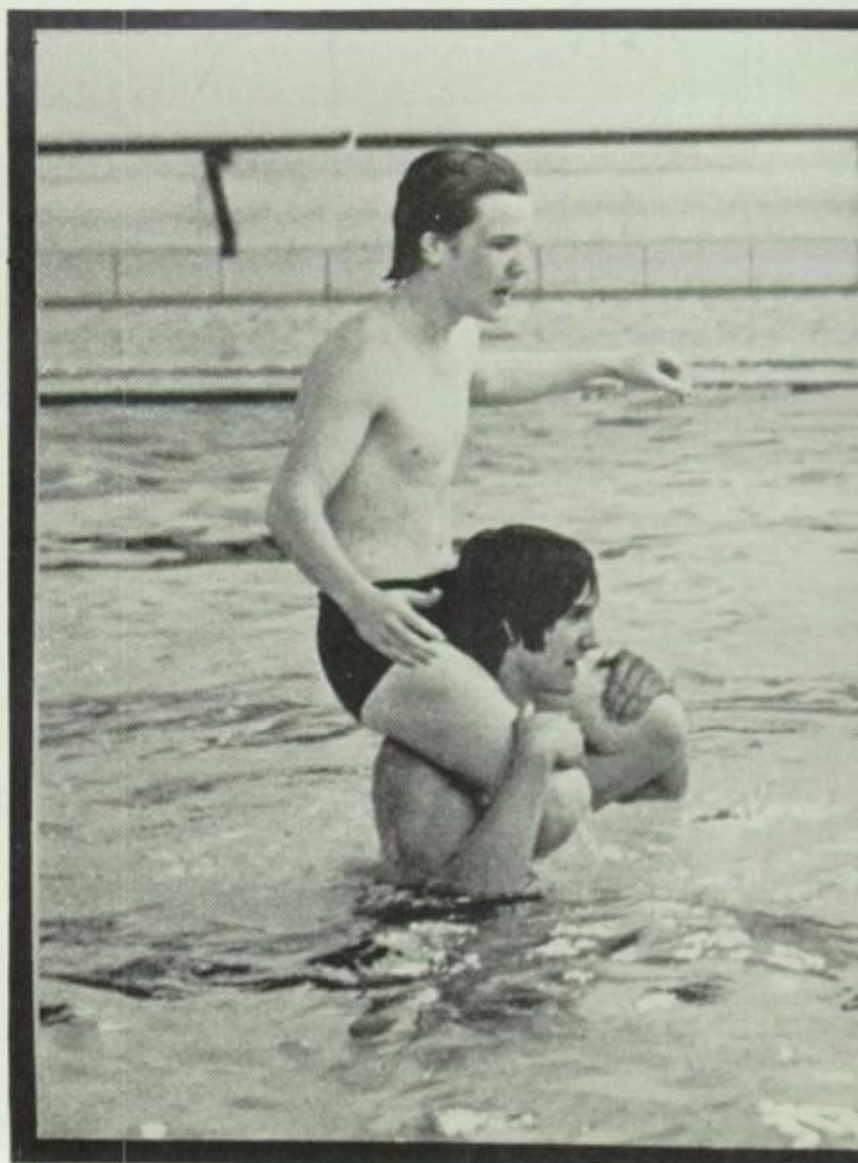

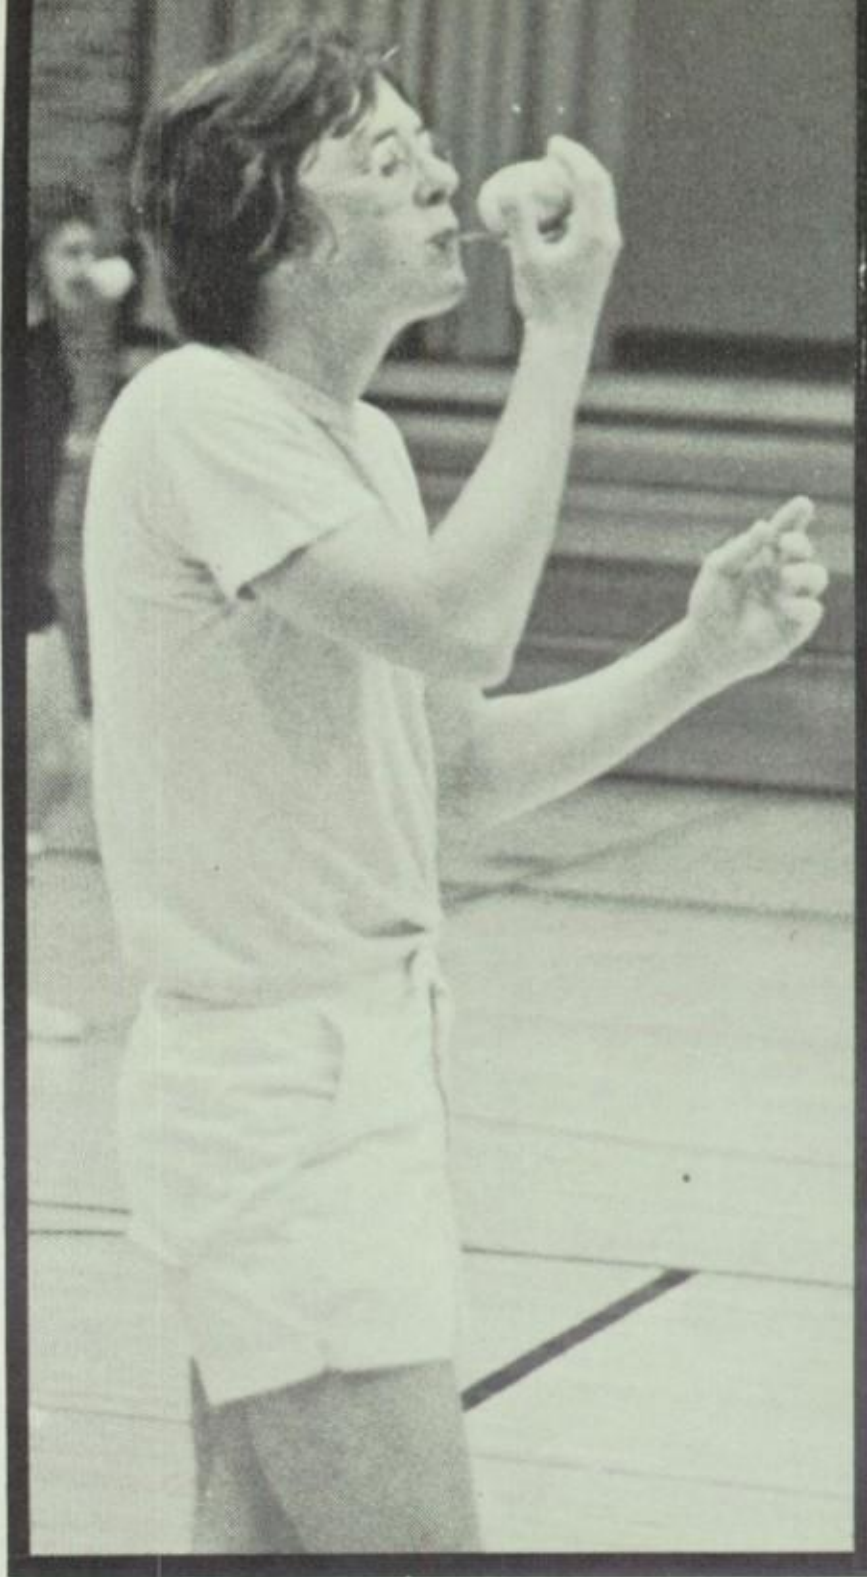

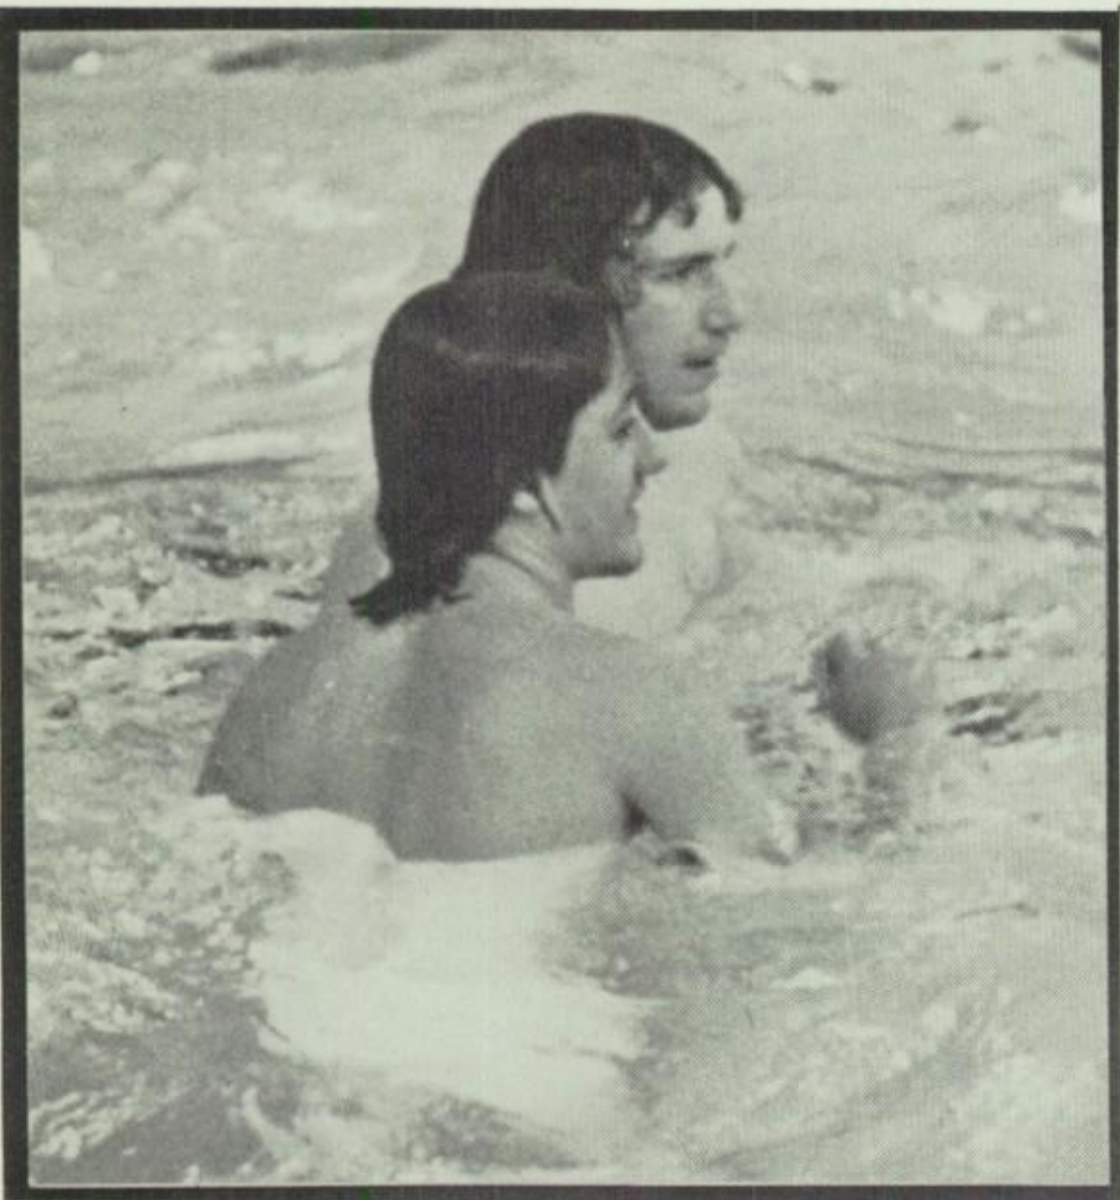

Monday, October 13, started the activities of homecoming. Activities night began the homecoming ball rolling. Time seemed to fly that week, so by the time Thursday came around, "Spirit was everywhere."

Hall decorating took place Thursday evening. Much time and effort was spent with the seniors winning first place. Friday! October 18! Finally! At 7:30 the tigers took on a tough Crestwood High School.

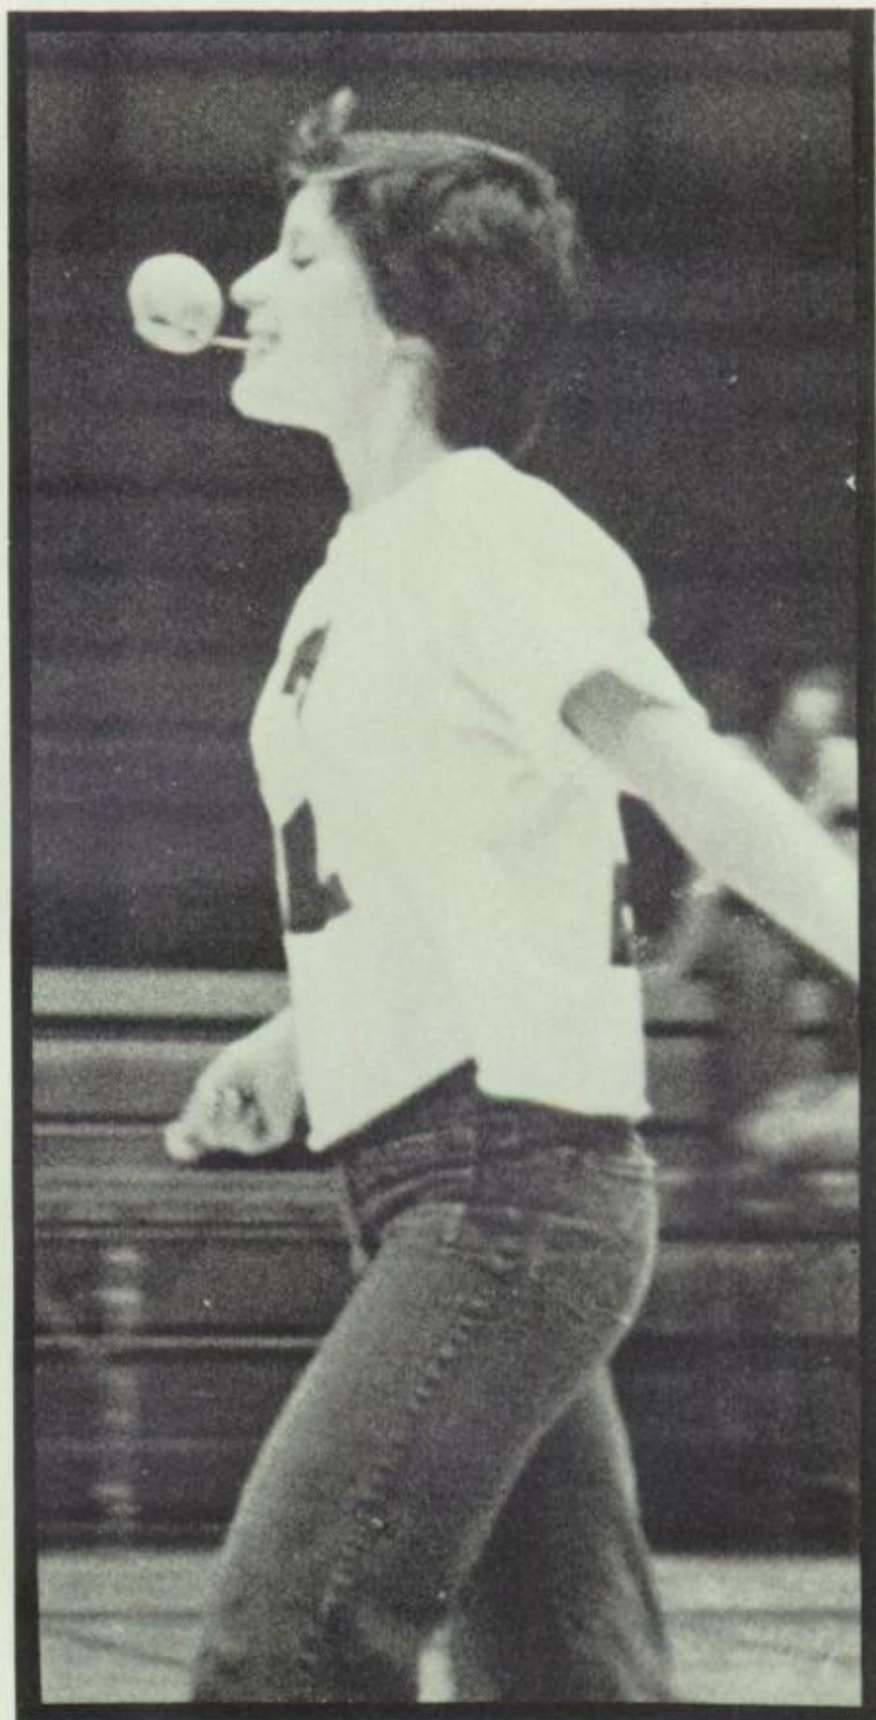

At halftime Vikki Milligan was crowned queen, her court included Rhonda Cline, Gail Cox, Theresa Hengstebeck, Sally Neubauer, and Alona Perkins. Rosy-cheeked people filled the stands, the game ended in a loss, but the week ended as a memory no one will ever forget.

Students Unite

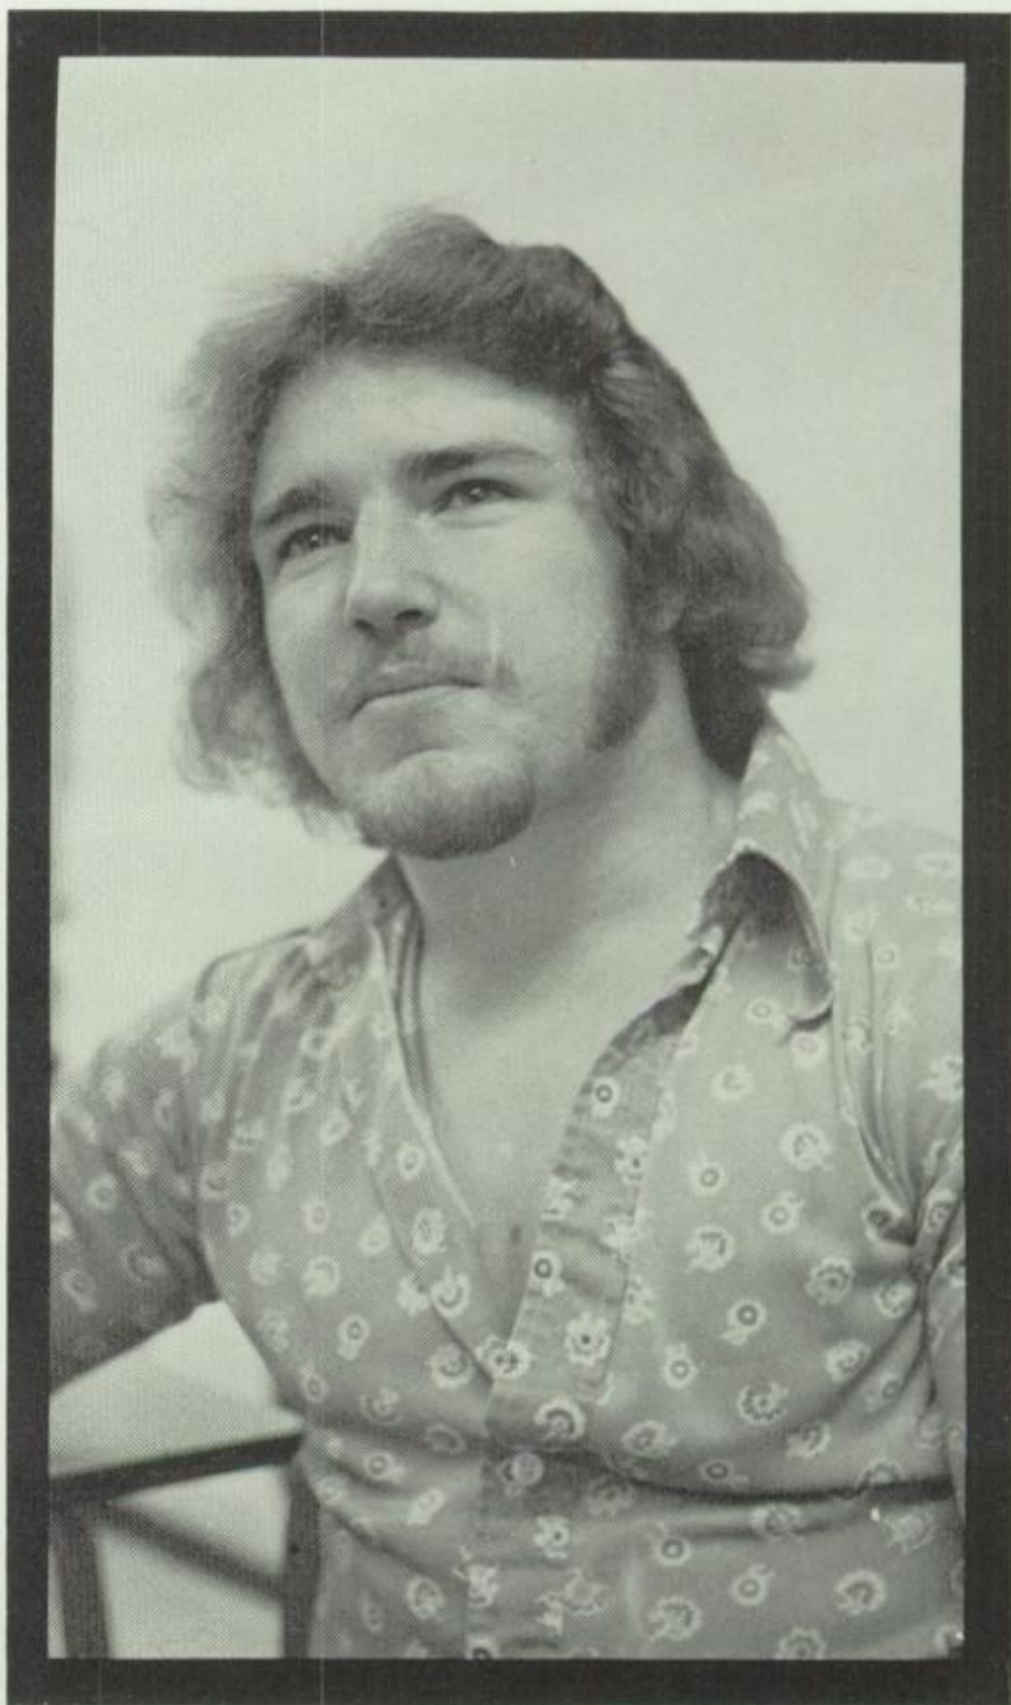

Although pep assemblies are largely "a thing of the past," a large turnout came to the optional afternoon meeting on Homecoming. This gathering started off with a slam when Loretta Tatro was urged on by the crowd to climb a ladder and hit Karen Grace in the face with a pie. Many other memorable stunts were presented to raise the spirit of the students for the big game that night. Along with the band, cheerleaders and majorettes, the football team also put on a great show as they demonstrated their spirit throughout the assembly.

During the week of November 24-28 West conducted its' search for the ugliest man in school. During this time candidates collected money to show who had the least sought after profile. Bill Underwood proved to be gifted with these qualities.

Kaleidoscope

Among the many activities this year, Kaleidoscope proved to be one of the best. Enjoyable songs and dances showed much talent of the performers. A variety of themes were touched by the songs, such as Love, Jesus, and Chauvinism. The dances ranged from a soft shoe and the Charleston to a jazzy tap number. A serious Barbershop quartet turned out to be one of the special highlights of the show. All of these elements were put together to make a great show.

The bi-monthly news publication FOCUS initiated many changes this year. Under the able leadership of the co-editors Bob Jaskolski and Nick Gavrila, who were specially trained at Oakland University last summer, a diverse staff of writers was assembled.

Changing the name to FOCUS and using news-print paper helped to improve the publication.

The staff also "brought in the outside world" with their coverage of the local scene. Sports writers Al Brackett and Gene Gorczyca along with co-editor Nick Gavrila gained a personal interview with Detroit Lions coach Rick Forzano. News writer John Mulligan covered the local courts. Co-editor Bob Jaskolski flew to Fort Sill, Oklahoma to report on the "new Army."

All staff members helped to bring this year's school news into focus. Their up-to-date eye opening features helped students to realize just what goes on behind the scenes.

Almost But Not Quite

In double overtime the East Panthers defeated a hard fighting Tiger team 33-27.

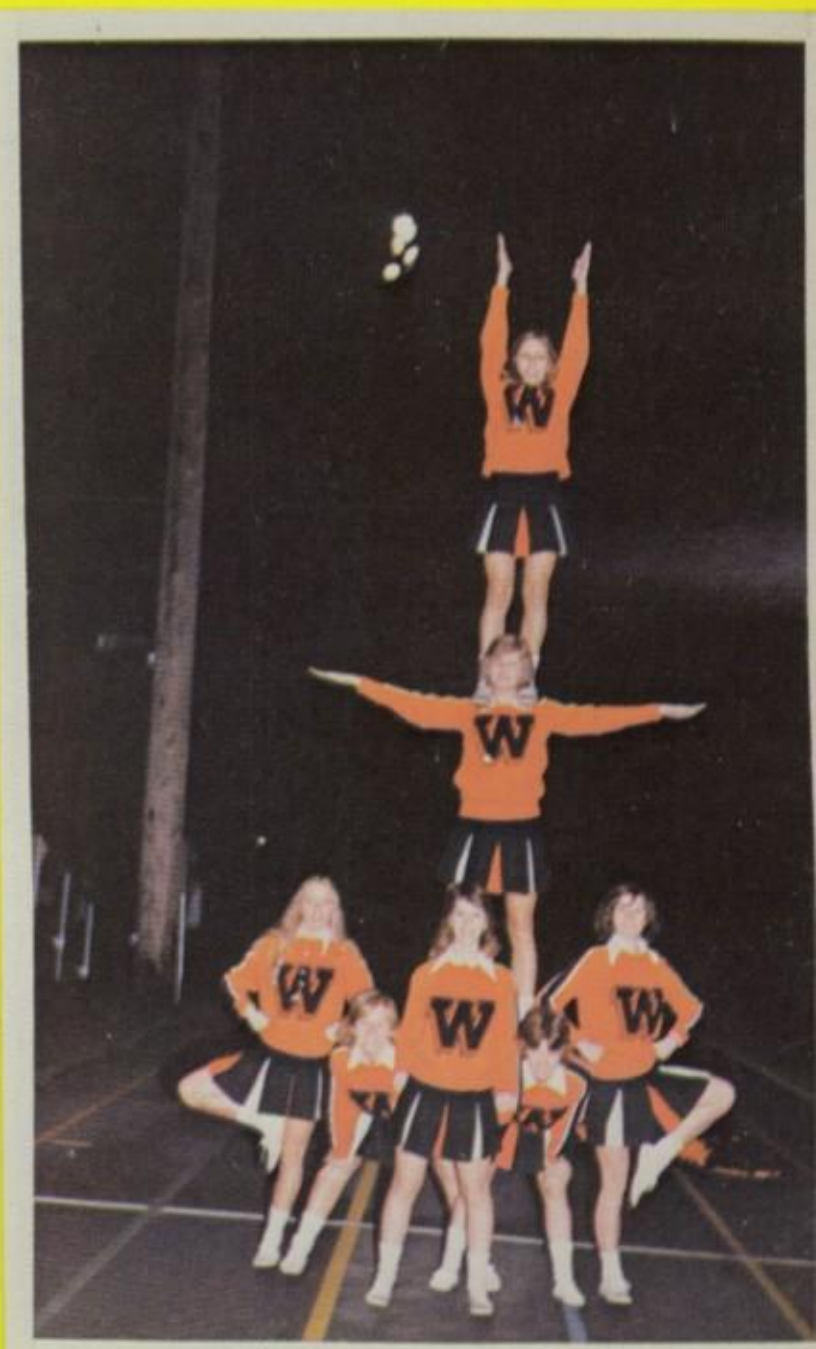

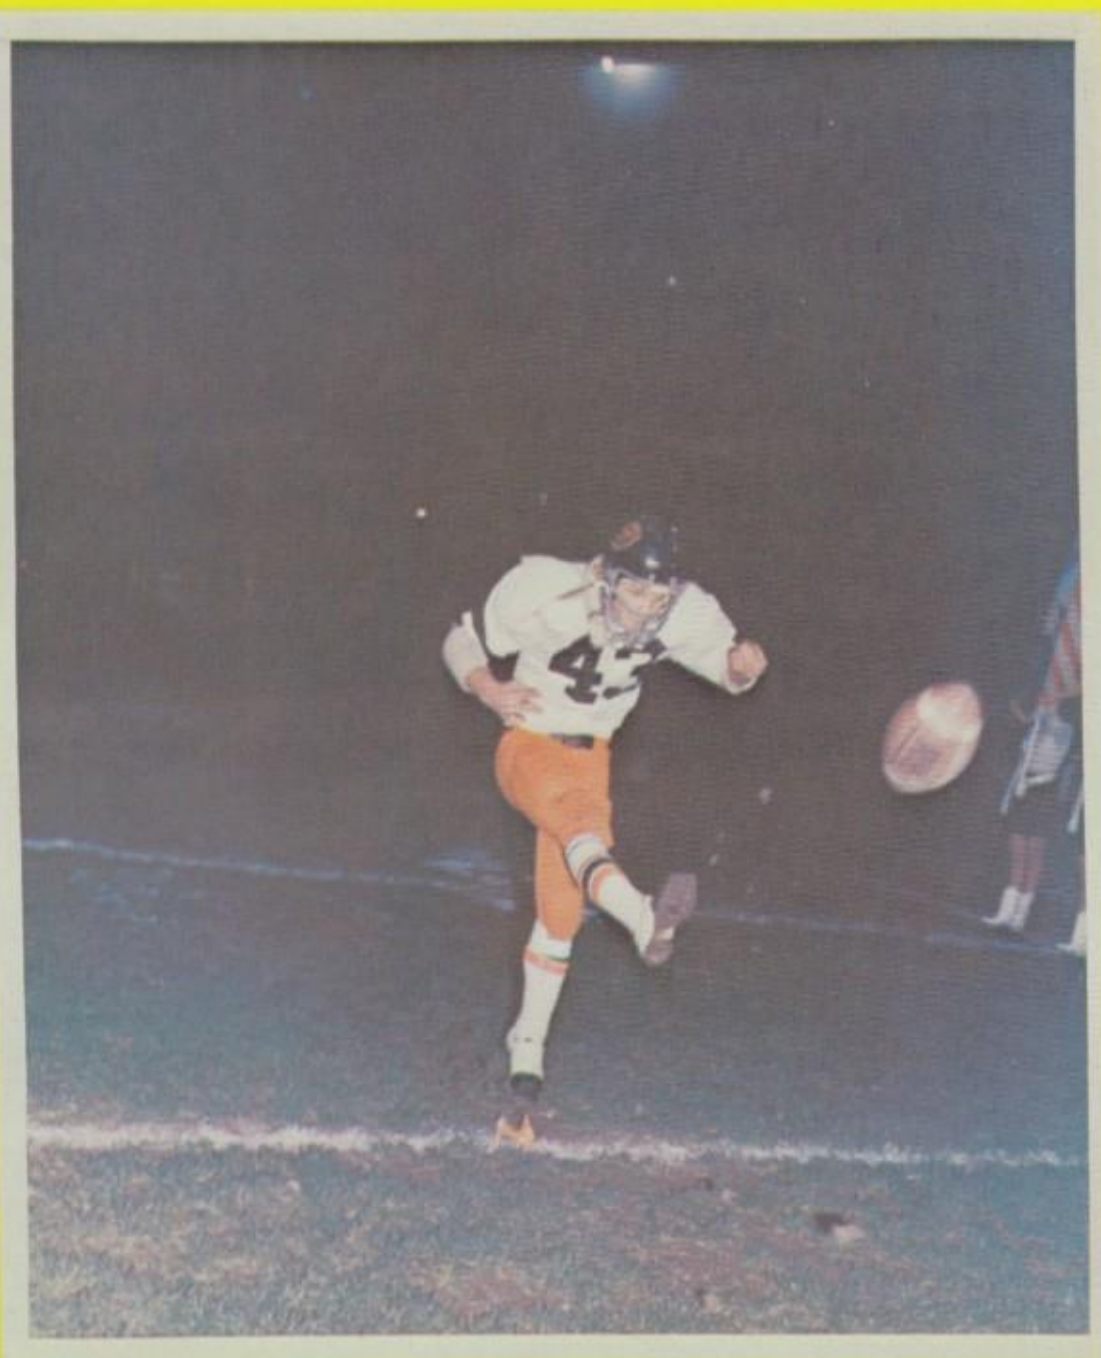

In the first half East scored twice, once on a 65 yard drive assisted by an extra point, and then again on another touchdown. West scored only once in the first half on the kick return, when John Stupyra ran 80 yards for the touchdown, and then kicked the extra point. At the half the score stood 13-7 East.

The tide turned in the second half when West scored two touchdowns and kicked one extra point. One touchdown was made by Terry Bradley, and the other was scored on a pass from Tom Poole to Bob Samples. John Stupyra kicked the extra point on Bradley's touchdown.

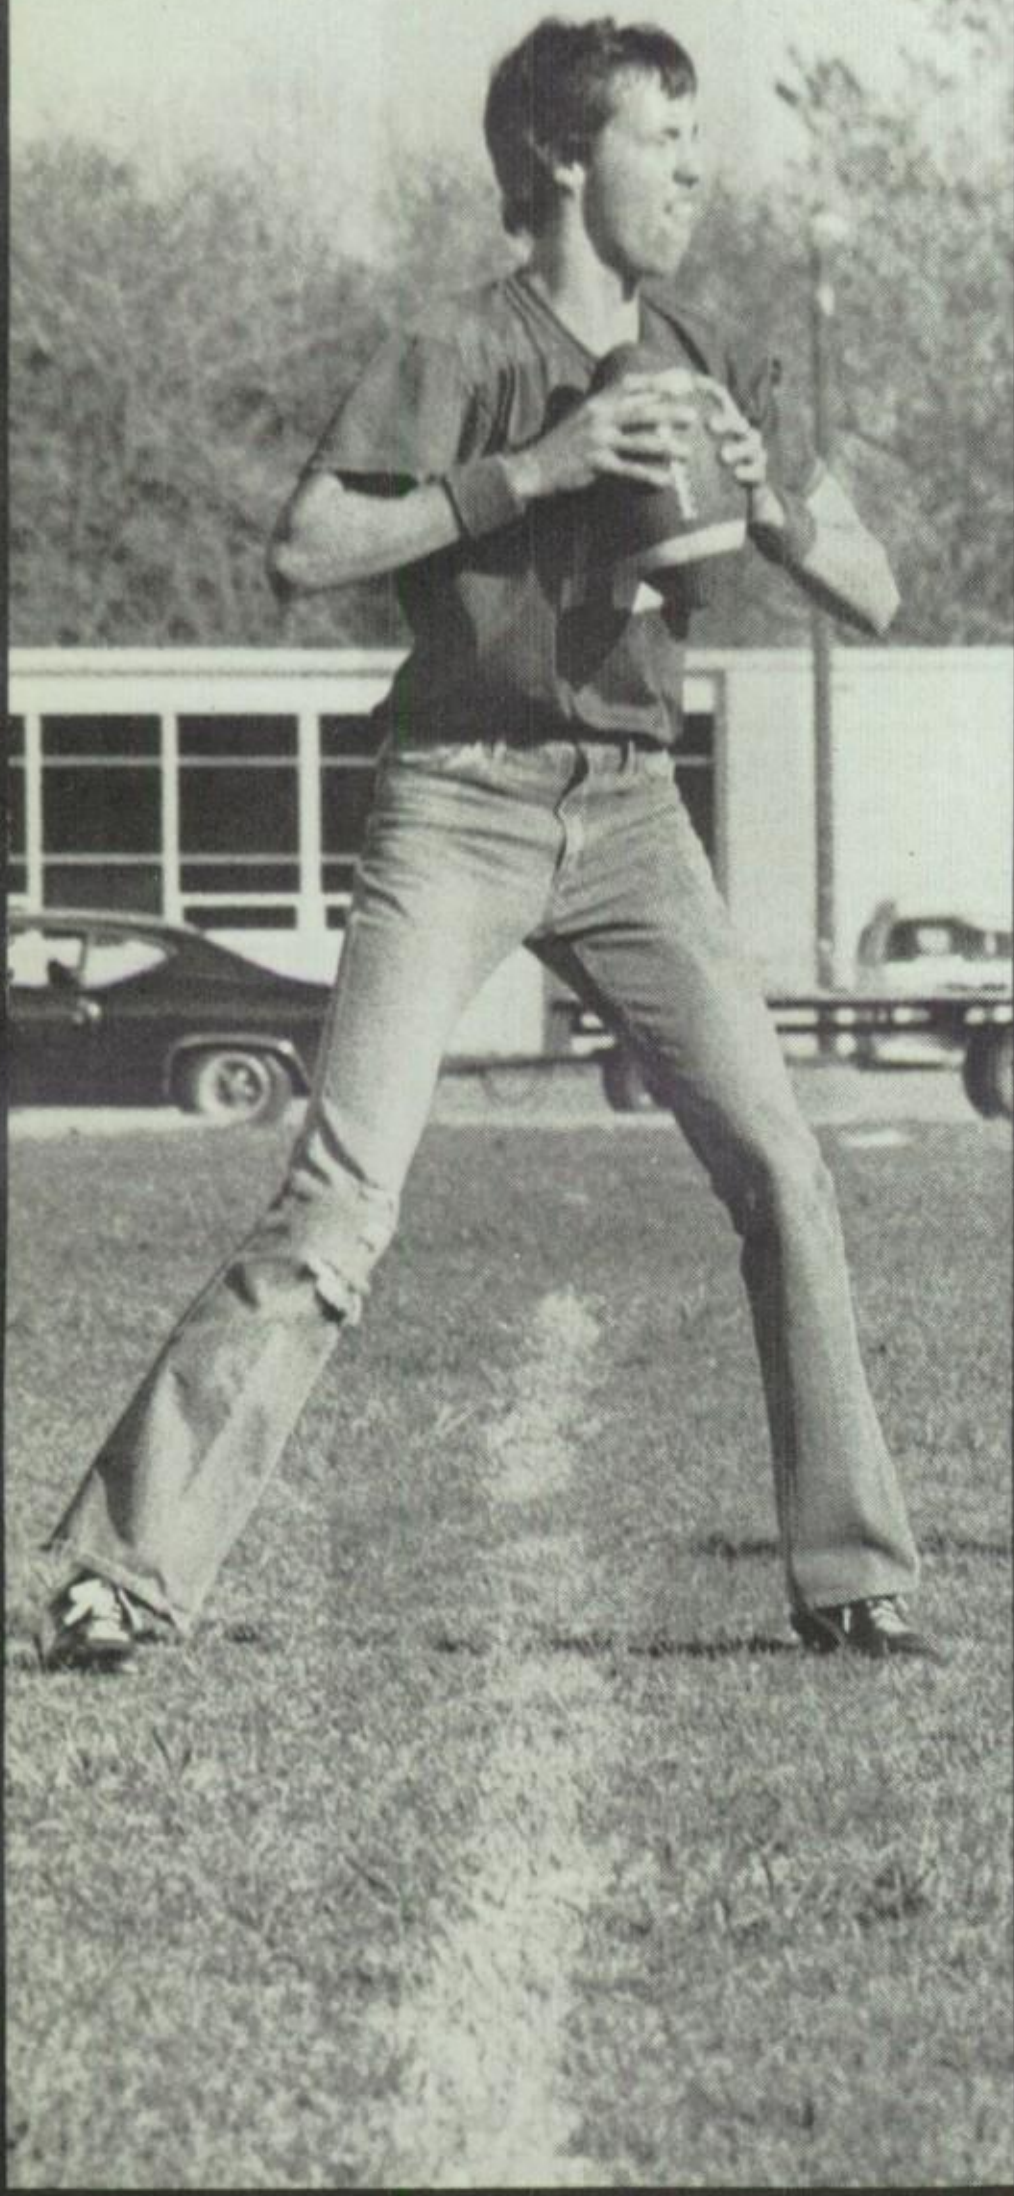

In the first overtime East scored and kicked the extra point. West came back on a touchdown by Terry Bradley. John Stupyra kicked the extra point.

In the second overtime West received the ball, but Poole's pass was intercepted and ran back 95 yards for a Panther touchdown. The final score was East 33, West 27.

Intramural Football

Intramural Football is a fall activity that attracts boys interested in sports, but who cannot spend long hours in training. These teams are managed by Mr. Henery and give an added edge to the school's athletic program.

In tree: Greg Slabaugh.

The staff tapped various student groups in the school by enlarging itself to over thirty students. For this reason the coverage of student activities was expanded. Twenty-four pages were added to the book in order to accomadate this wide variety of student interests. The staff also financed sixteen pages of color and special effects.

Under the able leadership of co-editors Janet Trost and Randy Pellock, the various sections of the book were coordinated. The organization of the book was improved due to training at a workshop held at Delta College last summer.

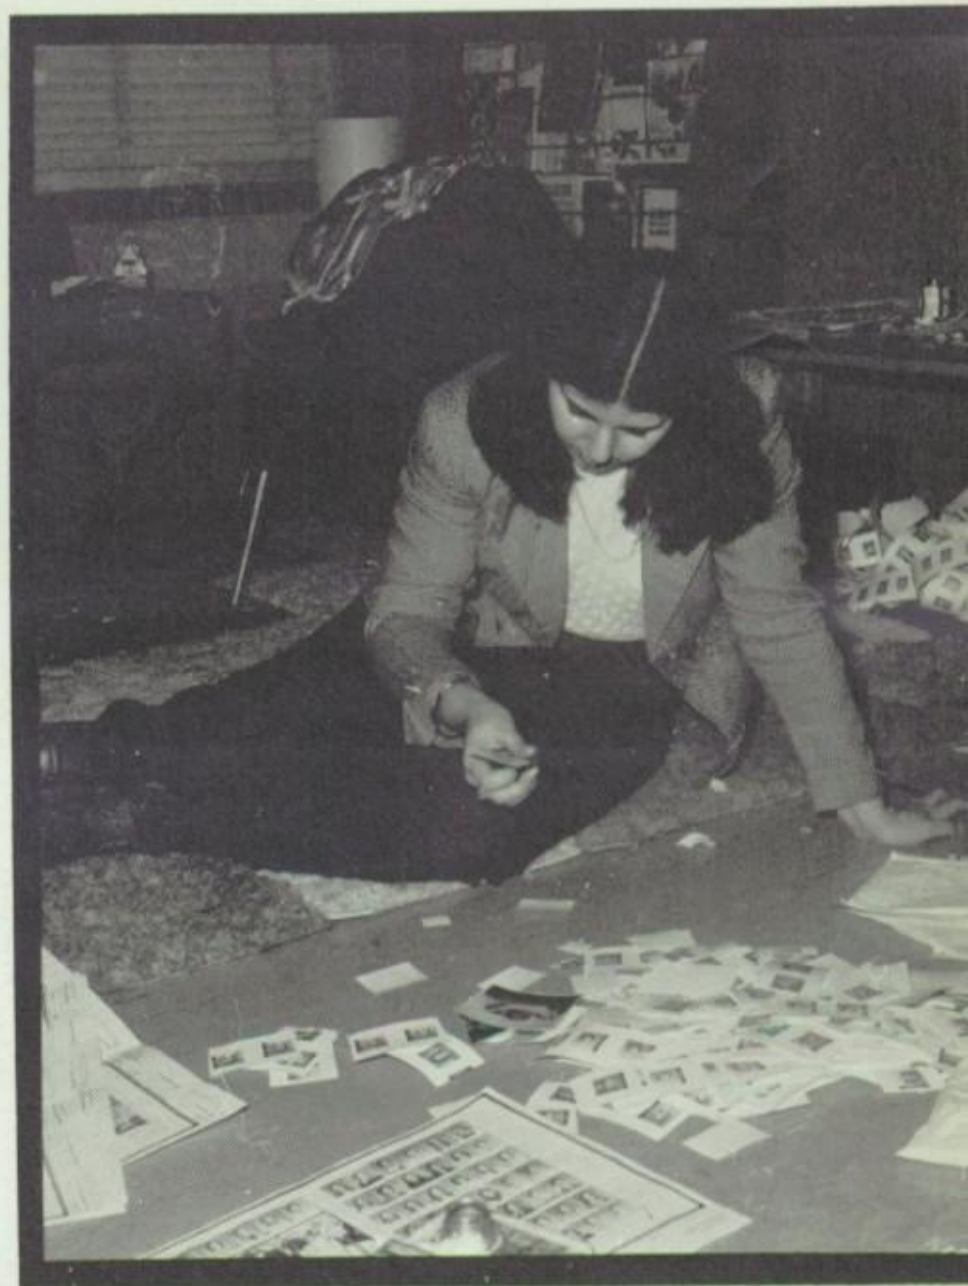

The photography department also enlarged which provided the staff with a wider selection of pictures.

Co-editor Janet Trost concentrates on her work as she finished a headline.

"George Washington Slept Here"

This year's fall play, "George Washington Slept Here" was presented at O'Leary Auditorium, December 10, 11, 12, and 13 at 8 p.m.

Try-outs for the play were held on October first, second and third and the following people were picked as the cast: Kurt Brown as Mr. Kimber, Karen Cavin as Leggett Frazer, Michael Curtis as Newton Fuller, Mimi Derkatch as Marion Wilcox, Phil Dial as Raymond, Julie Draper as Mrs. Douglas, Diane Fearon as Hester, Caron LaMarsh as Annabelle Fuller, Ron Greene as Uncle Stanly, Faye Morris as Katie, Marianne Murphy as Rena Leslie, Dave Renchenski as Mr. Prescott, Sandi Rodgers as Madge Fuller, Bart Patterson as Steve Eldridge, Joe Serey as Tommy Hughes, and Scott Woolweaver as Clayton Evans.

The director of "George Washington Slept Here" was Ms. Sandra J. Ellinger, with the help of assistant director Jeanne Huhn, who was also stage manager.

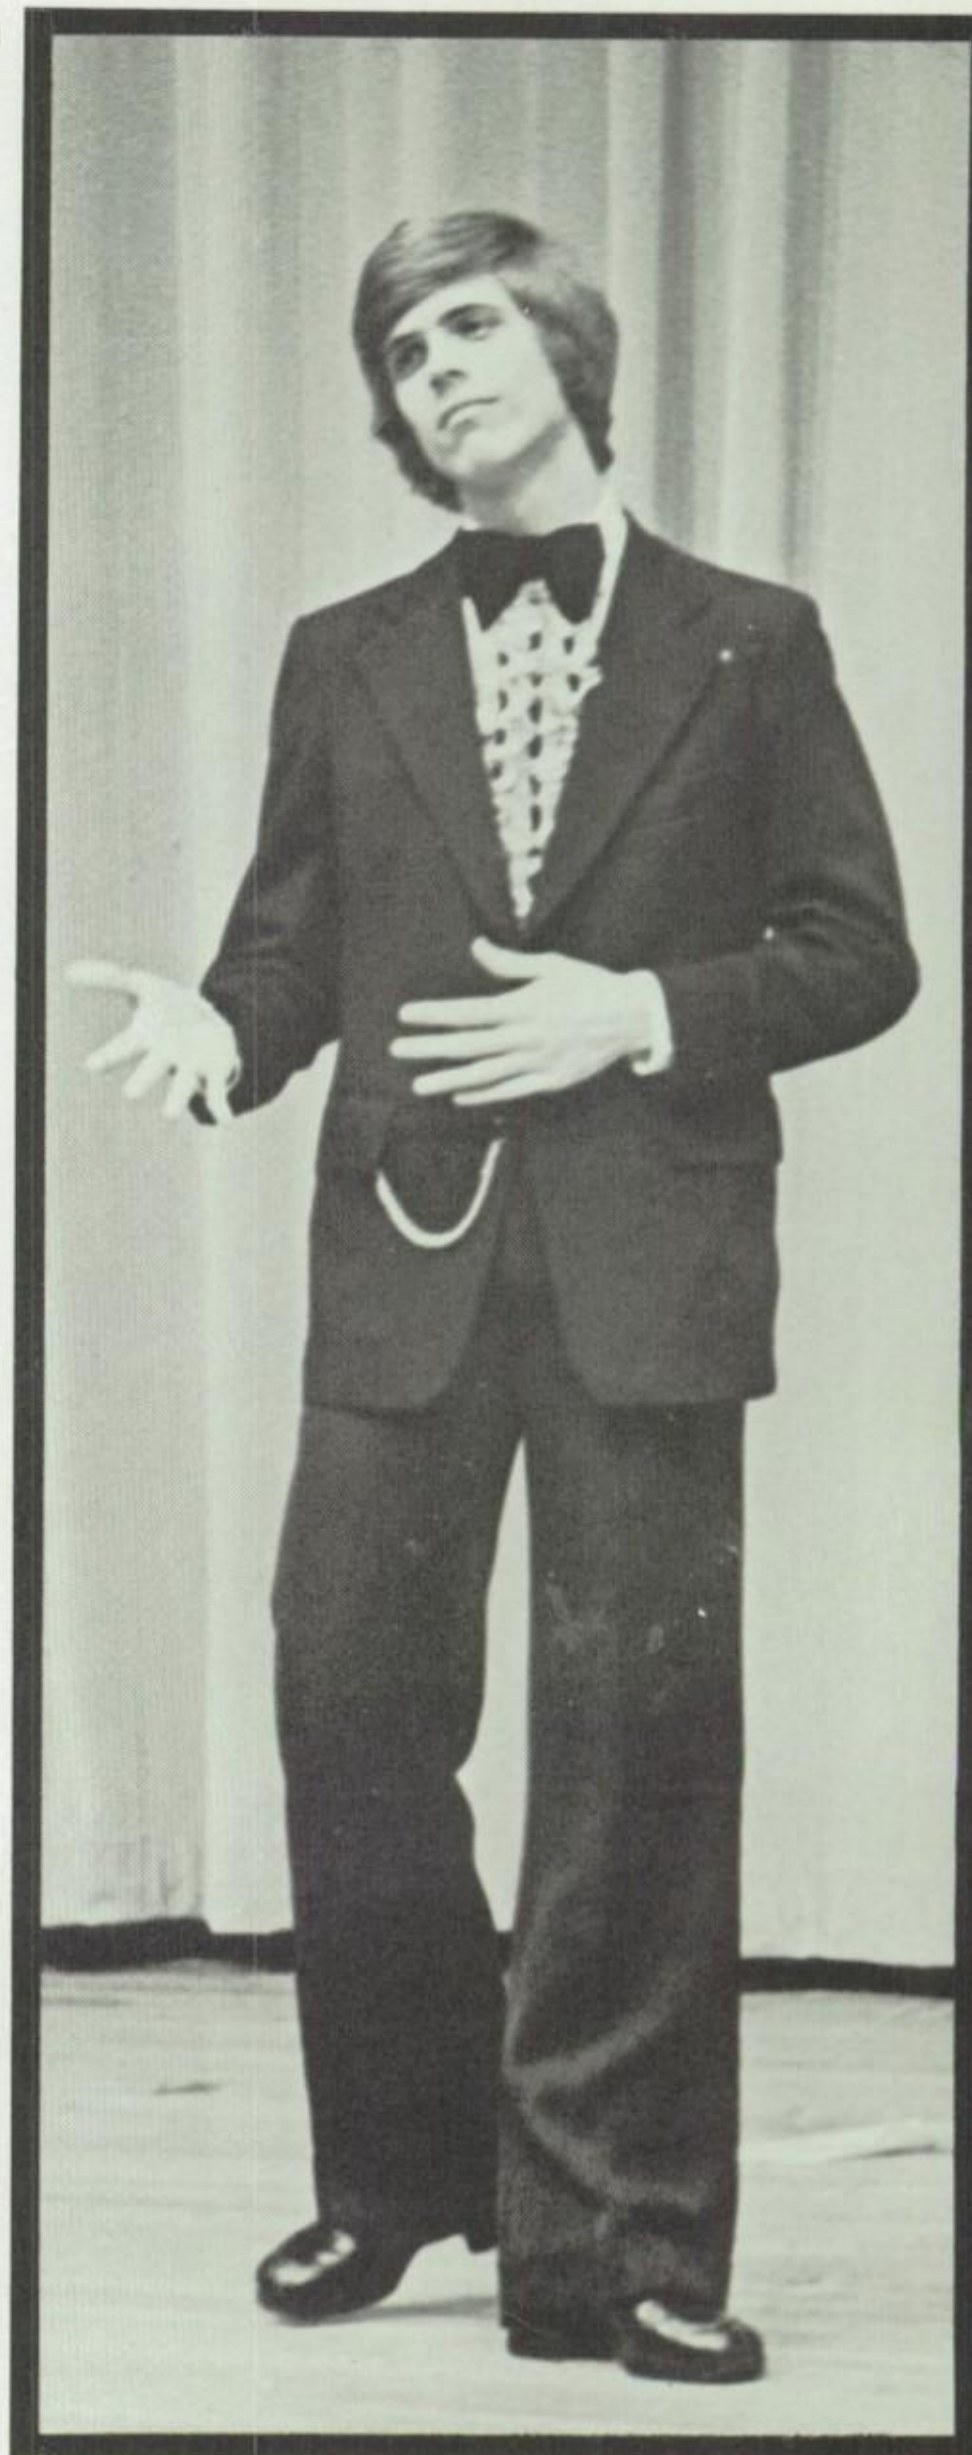

"Funny Girl" Comes to West

The music department selected "Funny Girl" as this year's musical. The story of the play revolves around the romance of Fanny Brice and Nicki Arnstein, from their meeting to the end of their stormy marriage. During the performance, the audience watches Fanny's show business career rise from her first Broadway show all the way to her final success as a Ziegfeld star. Unlike most of the musicals in the past, this is not a comedy but is serious. The ending is also different in that it is not a happy one rather it is sad with hope that Fanny's personality will pull her through her unhappy divorce.

Unfortunately, we were unable to photograph the actual performance so the pictures are of a rehearsal.

Shannon McNutt, portraying a pregnant Fanny Brice, asks the question "I'm beautiful?"

Scott Woolweaver, as Nicki Arnstein, rehearses a love song.

Mrs. McNutt, director, makes some changes in the blocking.

Jody Mix, Randy Herkness, Laura Benson, Ron Greene, Lori Roffi and Julie Draper playing their own kind of poker.

The cast rehearses the celebration of Fanny's opening night success.

Some members take time out to form a dance band which sponsors a special dance just for their group.

Cominghome, a first time event for West, turned out to be a big success. There was a combination of activities nights, a pep assembly, cafeteria decorations, and float competition. The week was concluded with a basketball game and the crowning of a cominghome king. The purpose of Cominghome was not only to promote spirit, but to give the guys an equal amount of glory since Homecoming gives recognition to the girls.

"... And The Winner Is..."

Who says that high school court nominations are only for girls? Not the student government at West. This year they created a sequel to the Homecoming activities in the form of Cominghome. Class competitions concerning activity nights, wall decorating and building floats took place during this week of events. Just so the boys would not feel cheated, a Cominghome Court was invented featuring six senior boys selected by the senior class. These boys were picked for their involvement in school activities and personality. The winner was announced at half-time during the Cominghome basketball game.

Amateurs In Action

As a means of keeping in shape and just having some fun, many guys participate in intramural basketball after school. Teams are formed by a certain date and submitted to Mr. Henry, director of this program, who then sets up a schedule of playing times. At the end of the season the two top teams were G.C. Jets and the Buddies.

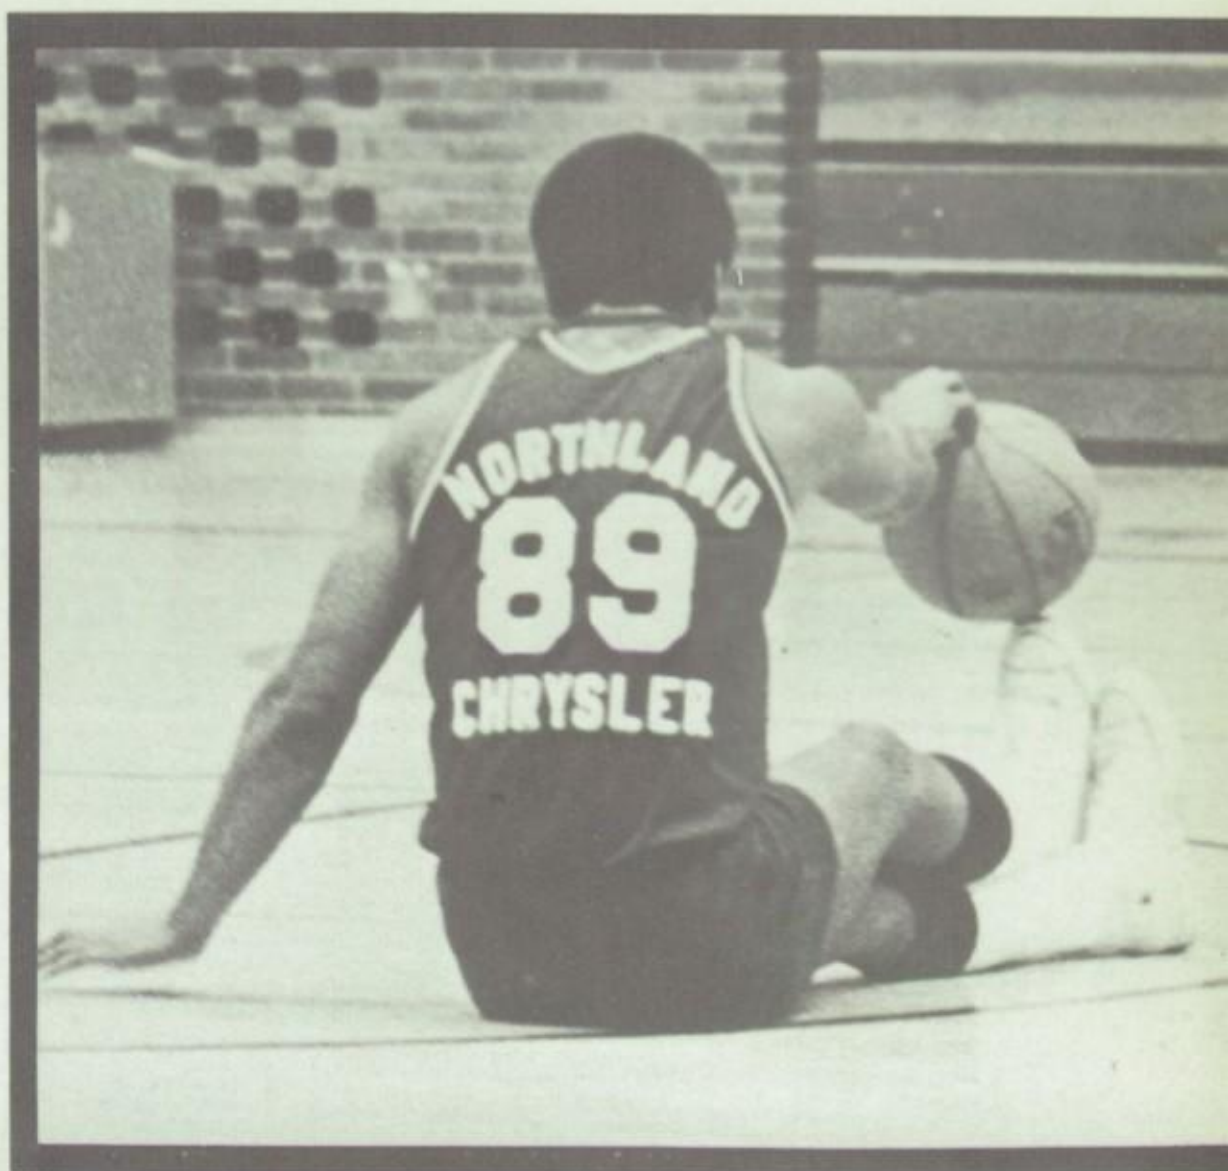

Lions Mangle Old Tigers

Above: The Lions seem to forget that they are playing basketball not football. Right: Mr. Copeland displays his great ability as a dribbler as he runs down the court.

On February 18, 1976, the Detroit Lions were challenged to a game of basketball game by the male faculty members of various schools in Garden City. The teachers and coaches from West who played in the game were Mr. Balog, Mr. Dropp, Mr. Henry, Mr. Nustad, Mr. Ross, Mr. Frysinger, Mr. Copeland and Mr. Renko. The representatives from the Lions team were Altie Taylor, Jim Yarbrough, Herman Weavee, Paul Naumiff, Jim Mitchell, Dennis Franklin, Larry Hand and Jim Thrower. The game drew a large crowd and provided a great deal of enjoyment not only for the observers but also for the participants. Even though they were defeated by a score of 84-82, the teachers benefited from the badly needed exercise and added funds to the West High athletics treasury.

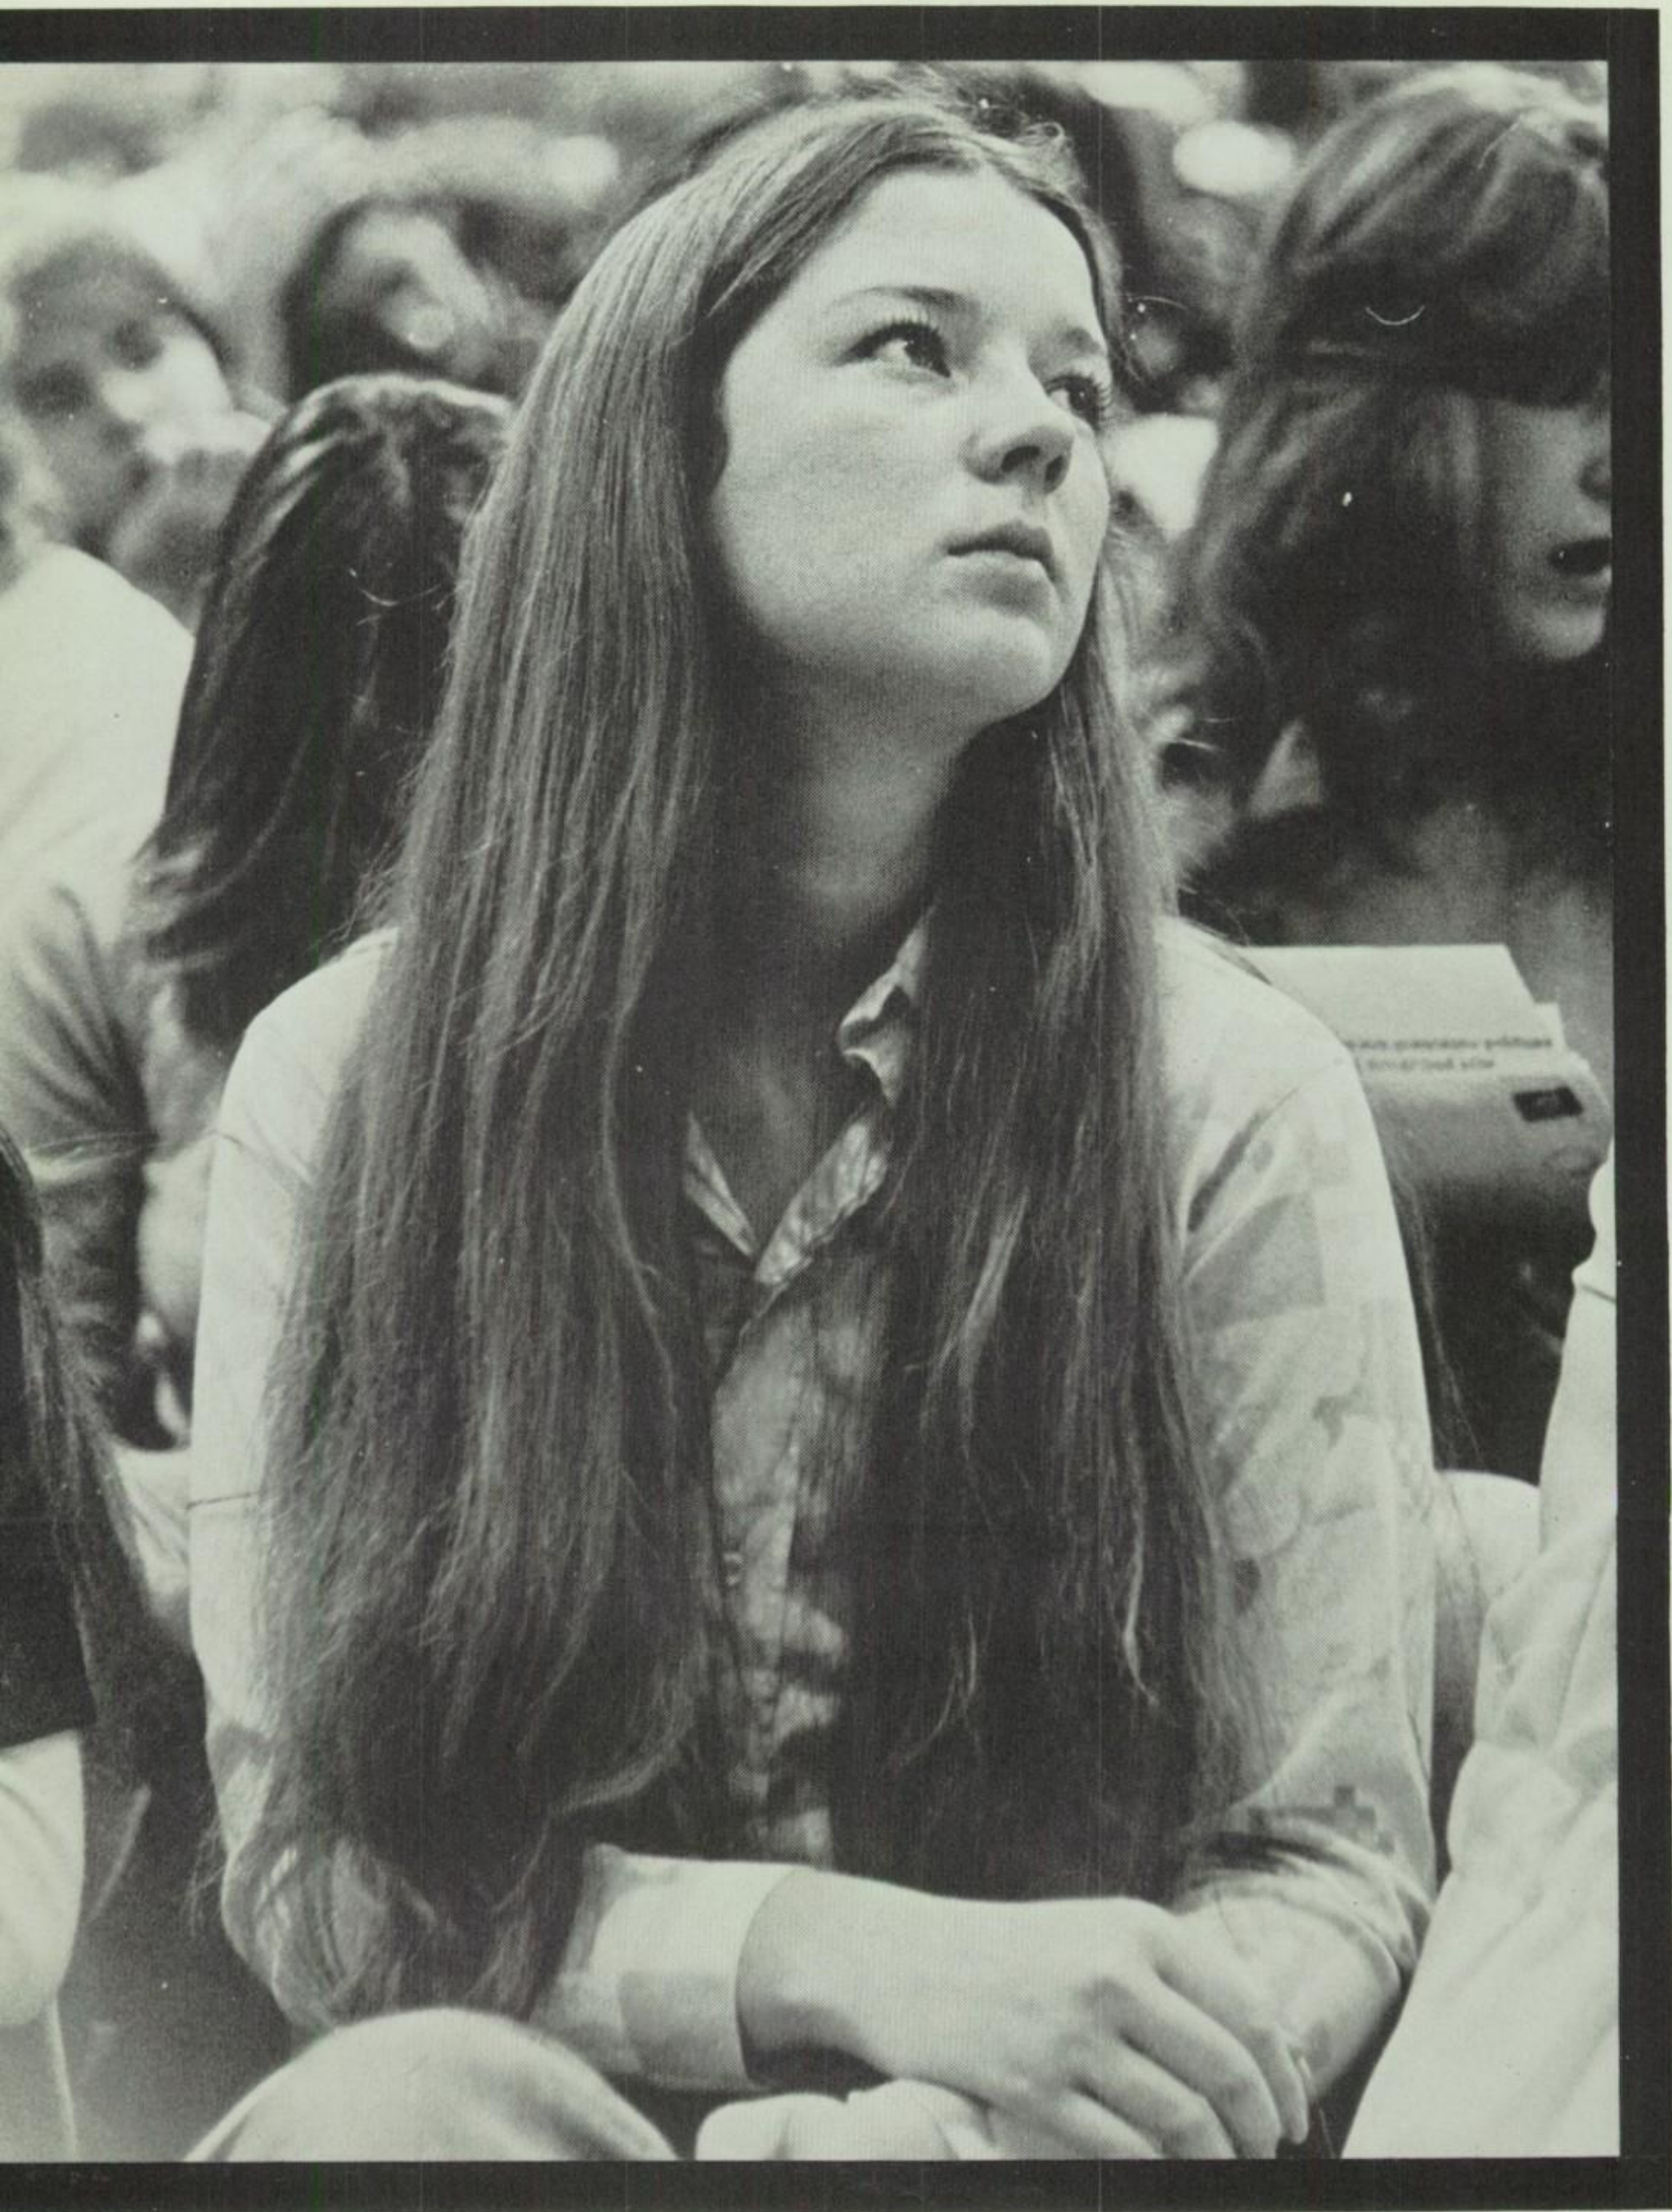

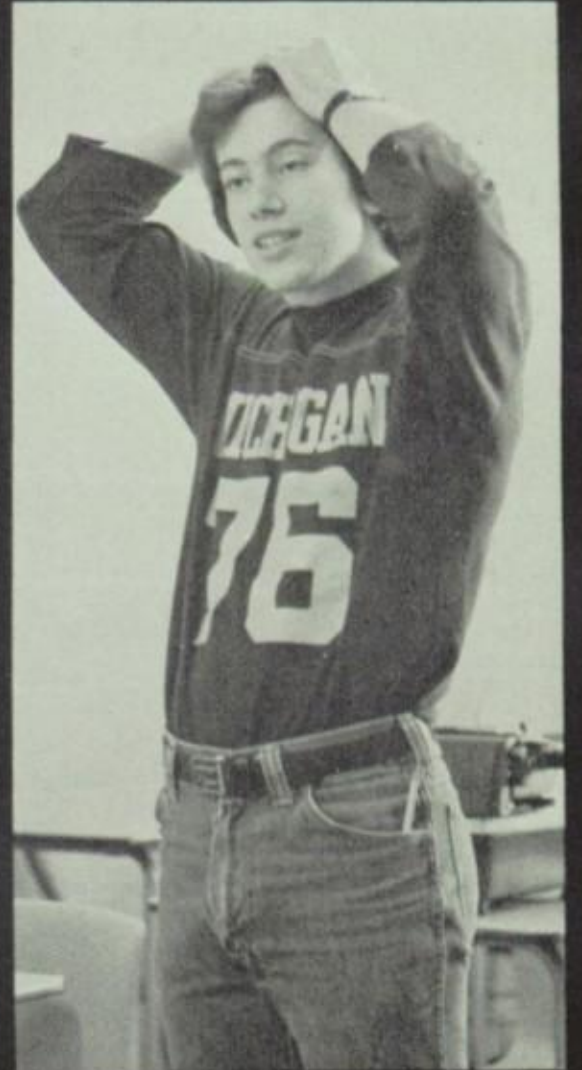

Above: This Lion seems to think that even basketball games begin with a kick-off.

Seniors

Seniors Show Leadership

This years senior class officers consisted of Karen Grace, President; Bob Jaskolski, Vice-President; Howard Rohleder, Treasurer; and Lenna Muncy, Secretary.

The senior class prides itself in leadership. They displayed their talents by putting on the Homecoming activities, and the Liberty Ball. This years Homecoming was a big money raising event.

The senior class has also organized a money-making doubleheader. The women teachers challenged the girls Varsity Basketball team in the first basketball game. In the second game it was the men teachers against the Varsity Basketball team.

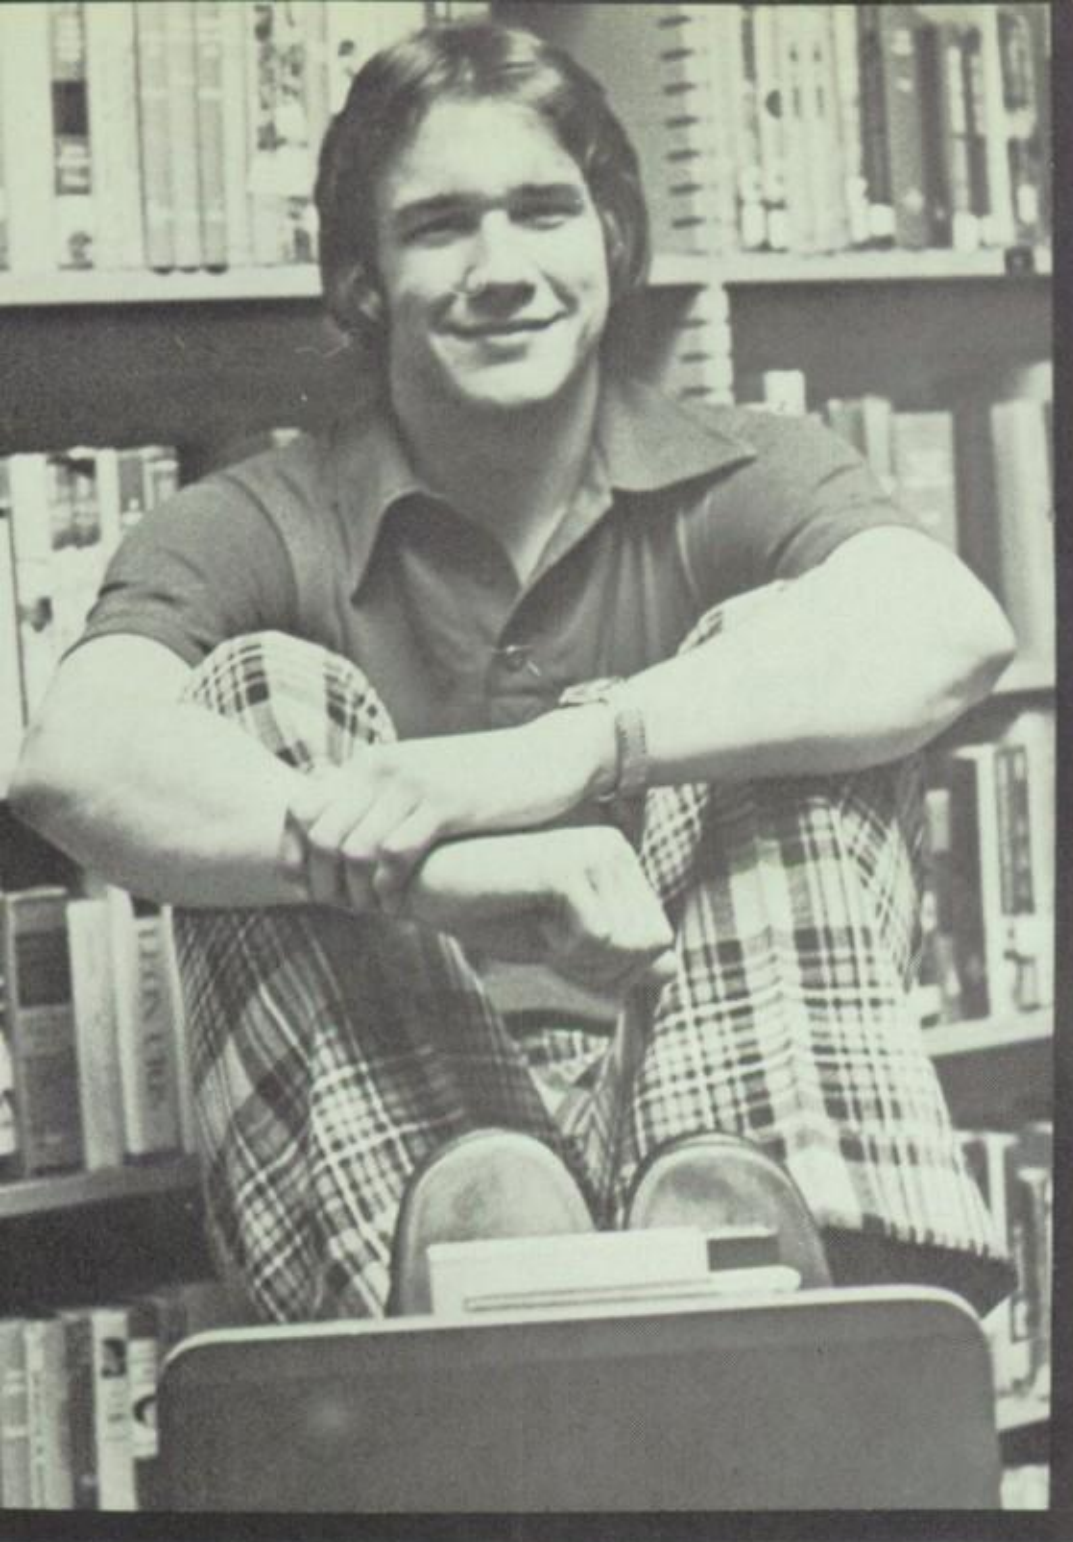

This years class officers have shown great leadership.

We are leaving now.

To what?

We don't know.

We'll find out when we get there.

We will make our exit here;

As we walk out the doors,

Excited,

Afraid,

and a bit sad.

Leaving

behind,

The life we are so used to living.

It seems we've traveled so far . . .

down

this

road.

And tried so many things

Mindful

of the day we'd be leaving.

. . . But what are we to do,

now

that the day has arrived?

Where do we fit in?

Where do we belong?

We don't know.

We'll find out when we get there.

Of only

one

thing are we certain;

As our yesterdays grow many;

we make room for

one

more day . . .

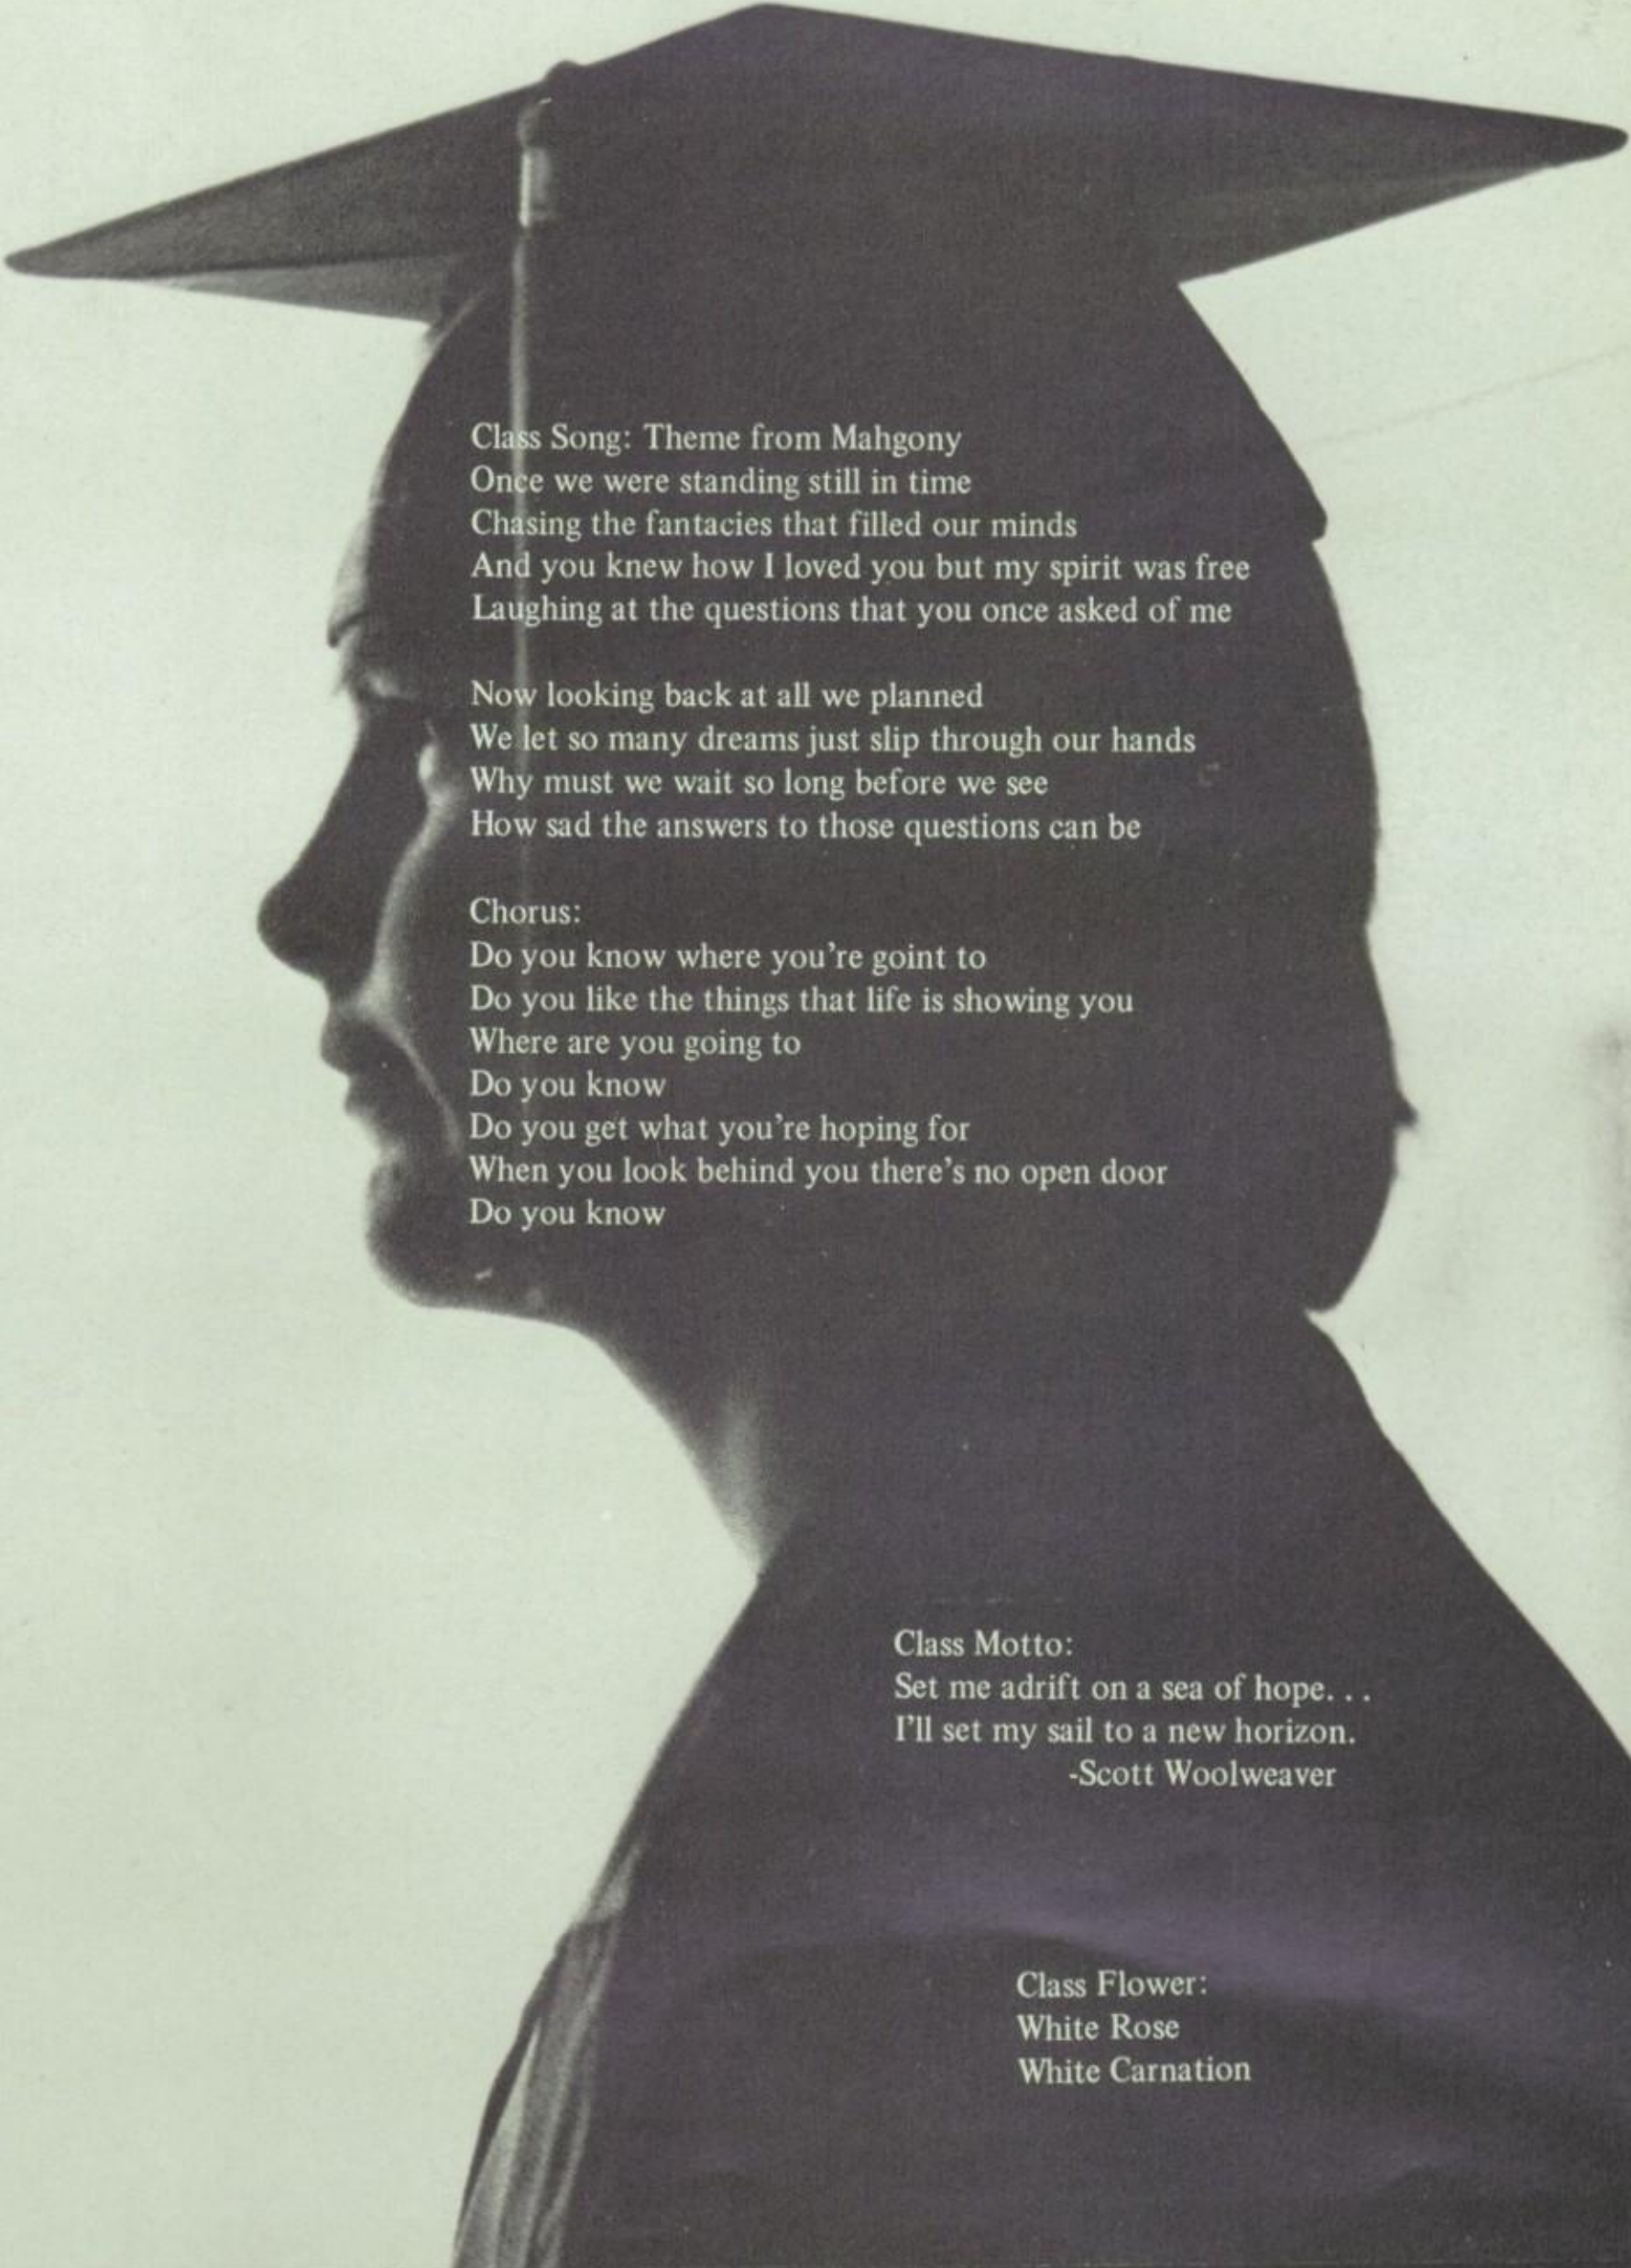

. . . one

more memory . . .

. . . one

less tomorrow.

Class Song: Theme from Mahgony
Once we were standing still in time
Chasing the fantasies that filled our minds
And you knew how I loved you but my spirit was free
Laughing at the questions that you once asked of me

Now looking back at all we planned
We let so many dreams just slip through our hands
Why must we wait so long before we see
How sad the answers to those questions can be

Chorus:

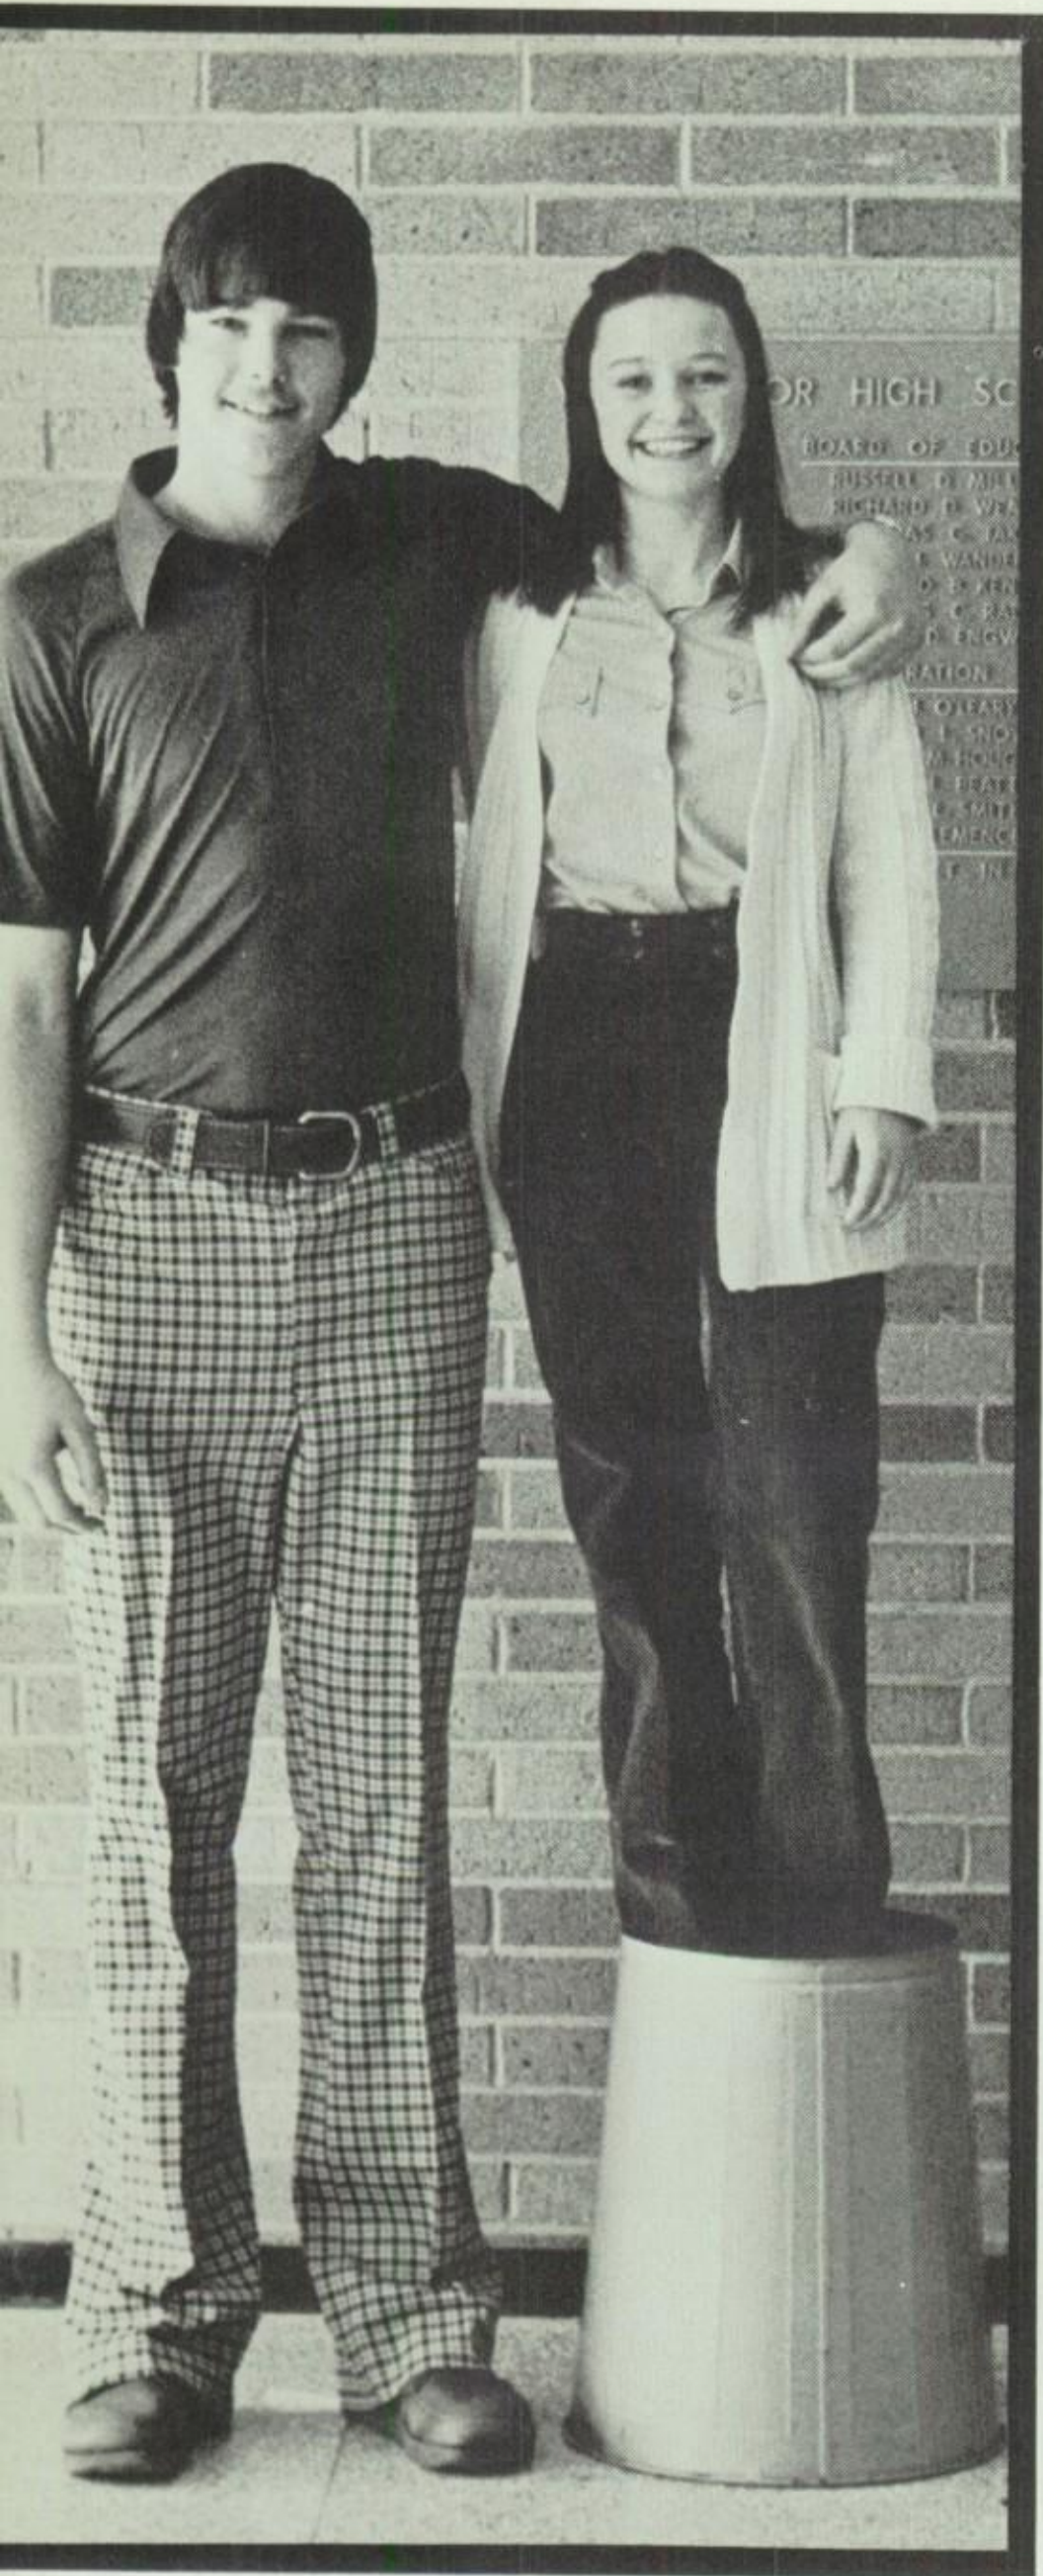

Do you know where you're going to
Do you like the things that life is showing you
Where are you going to
Do you know
Do you get what you're hoping for
When you look behind you there's no open door
Do you know

Set me adrift on a sea of hope. . .
I'll set my sail to a new horizon.

The Varsity Football Team had a disappointing season. Finishing second in the league, the Tigers were expected to go all the way with their 27 returning lettermen. Although they were second in the league, the Tigers played good hard football. Trying to save the season, they decided that if they beat East no one would care. But after a 20-20 tie at the end of the game, the Tigers had to play there first over time in West-East history. East scored on there first drive and so did west. In double over time West intercepted and East returned it for the game winning T.D.

The J.V. Football Team had a good season finishing with a 5-2 league record and a third place finish. They outscored their opponents 128-82 and all of the members of the team had some game experience which is encouraging for the varsity team in the next couple of years. If this year is any indication of things to come, then West High is going to have a great varsity football team in the next two years.

The Tiger harriers finished second in the TRI-RIVER LEAGUE MEET to clinch second place for the season. One of the highlights of the season was the winning of our own Invitational with a first, second and third place finish by Mike Cundiff, Mark Boyd and Vic Janis respectively. Mike Cundiff earned "ALL LEAGUE" for his second consecutive year as well as "ALL AREA" for the second time. Mark Boyd earned an "HONORABLE MENTION" for placing eighth in the league.

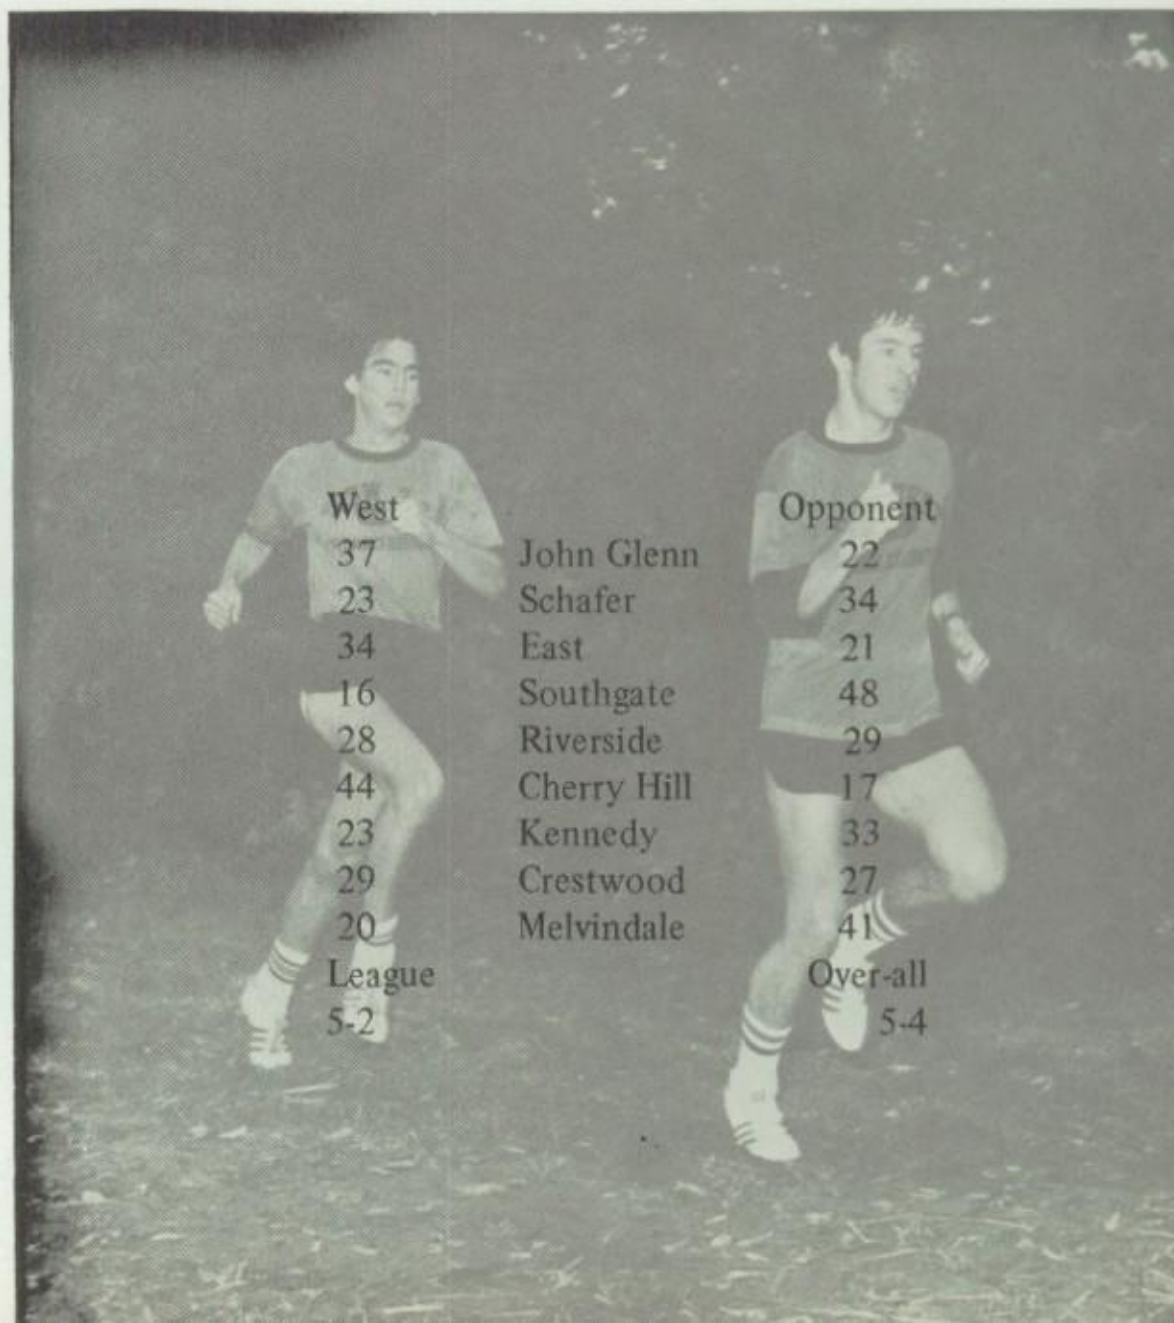

Senior letter winners were co-captains Mike Cundiff and Vic Janis as well as Greg Ferguson and Eugene "the kicker" Maggioncalda. Returning lettermen that should help form a strong nucleus for the coming year are Juniors Mark Boyd, Curt Bastinelli and Al Brackett. Keith Cox was the only Sophomore earning a letter as he tied for third place in scoring and placed 16th in the league meet.

Louis Resto holds his own as a sophomore runner.

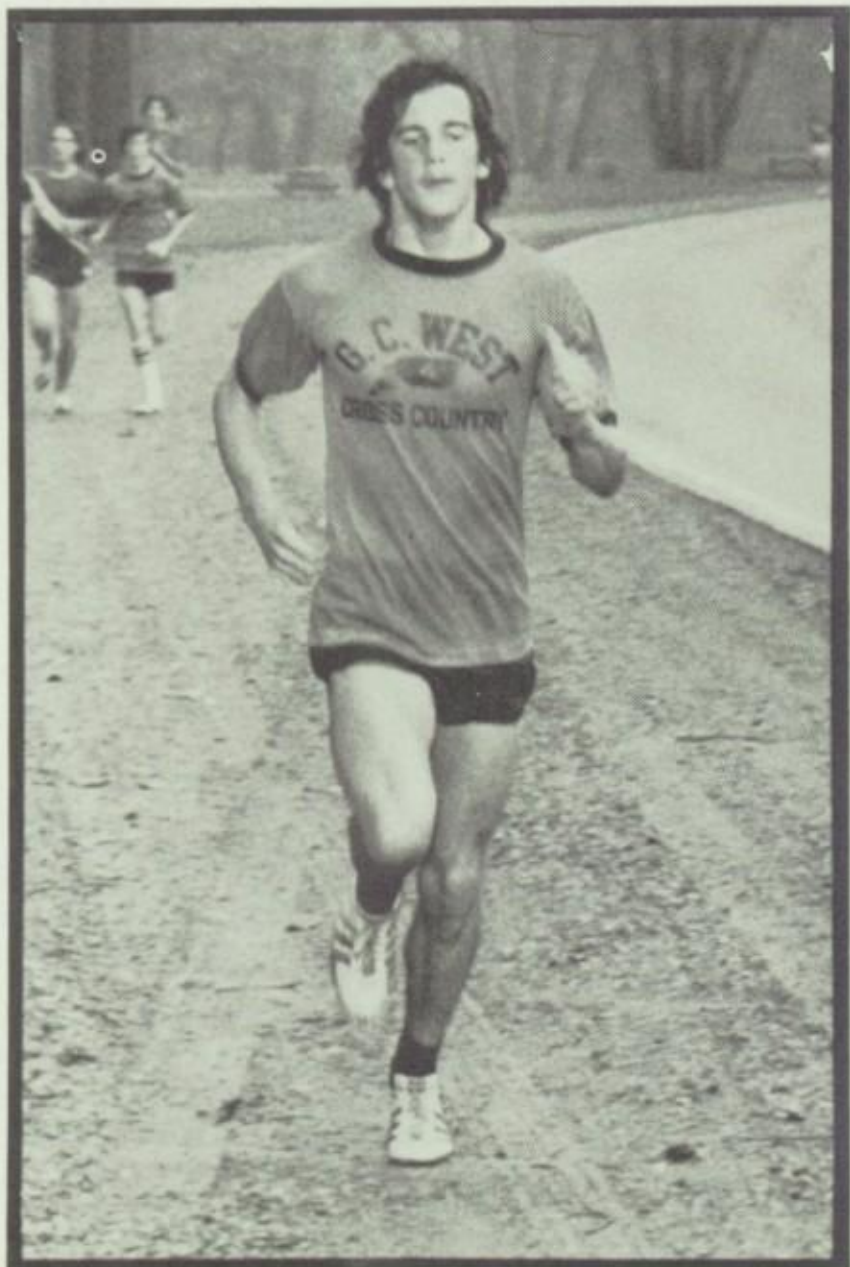

Above: Mark Boyd shows the endurance a runner needs.
Right: Eugene Maggioncalda and Greg Ferguson battle for a crucial spot in the race.

1975-76 BASKETBALL YEAR

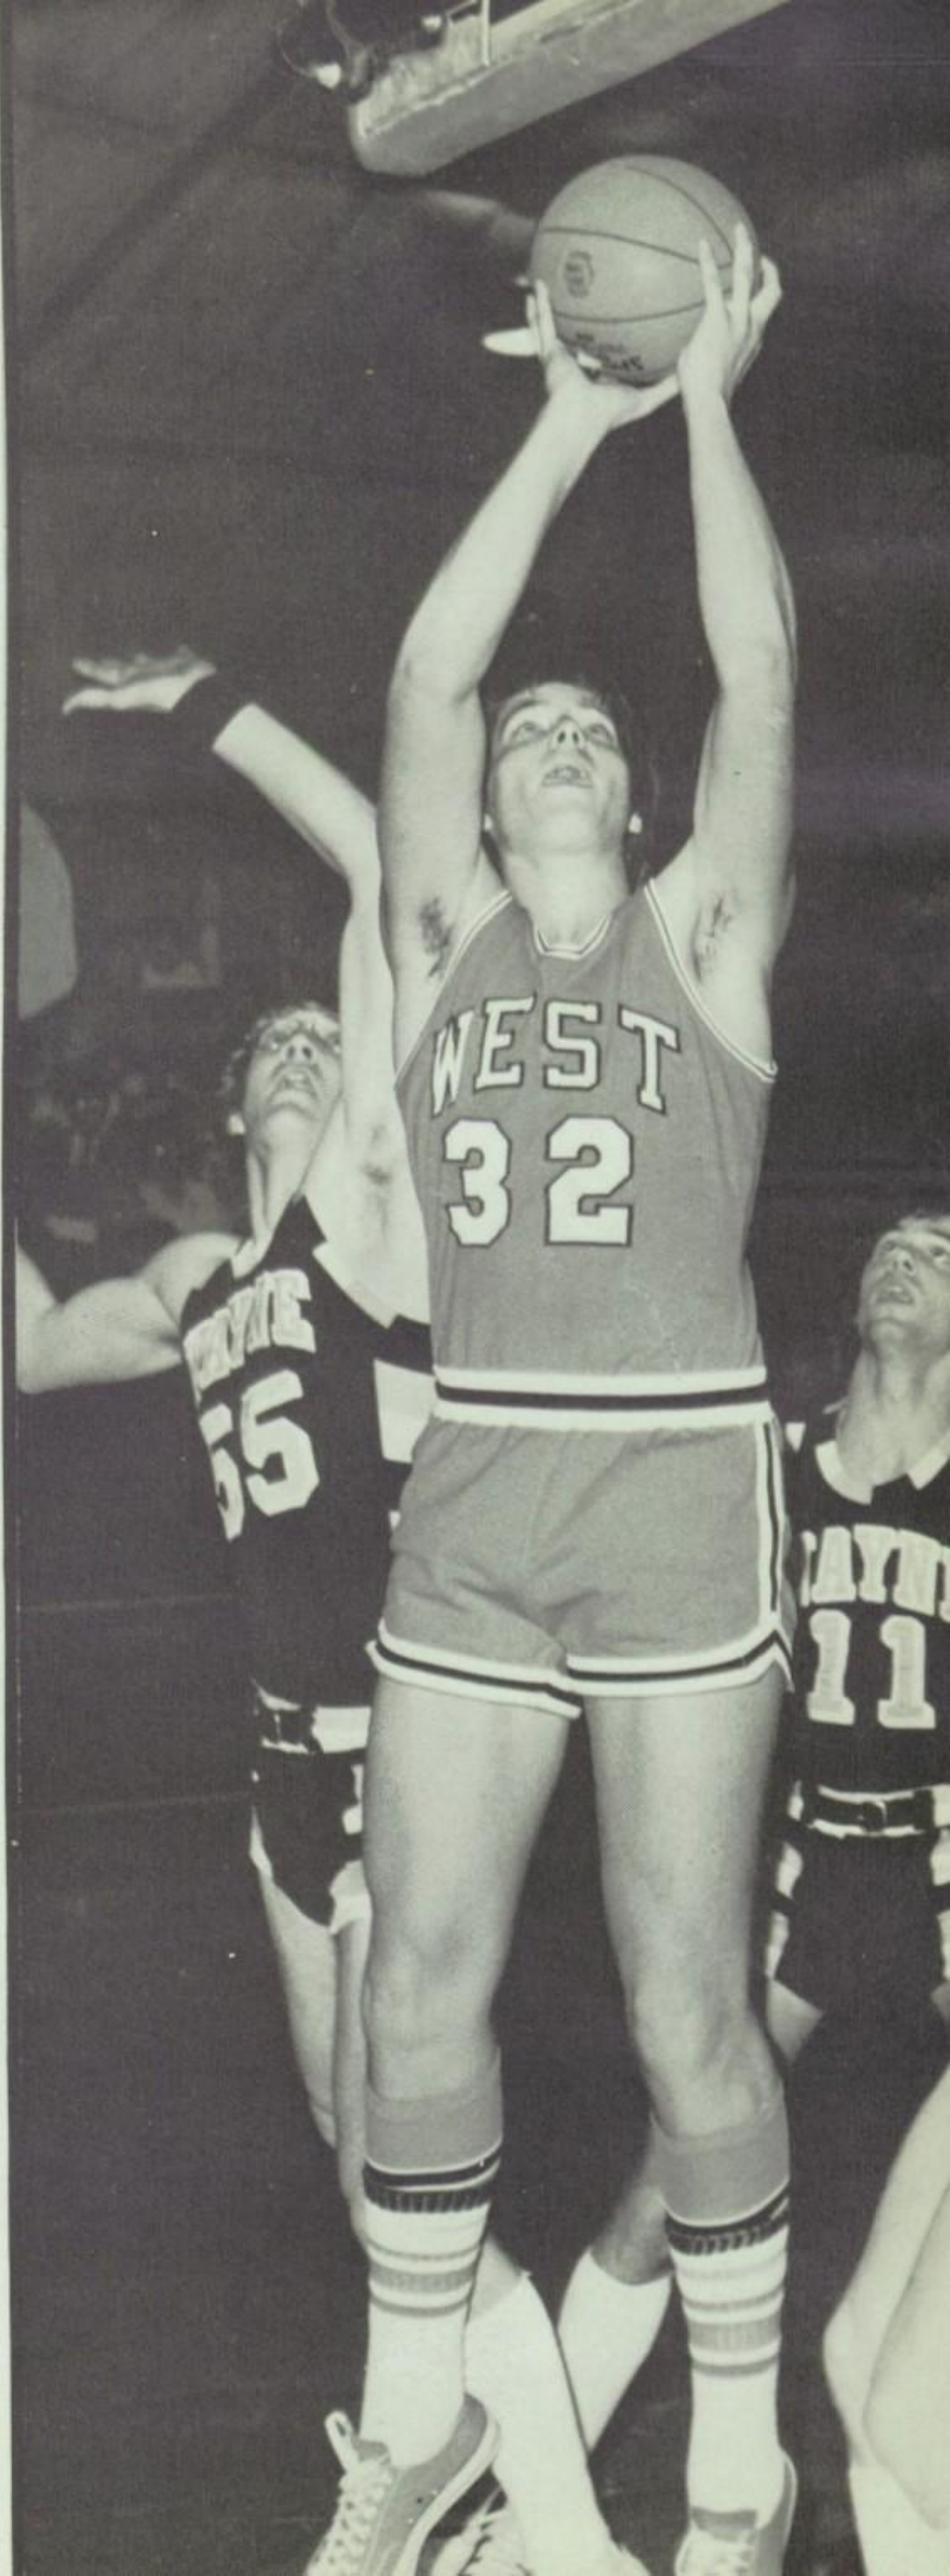

What a year! This was a season of record setting play. A 14-0 league record a perfect 20-0 season turned in by the Varsity Cagers. As a team the Tigers hit 70% from the free throw line and averaged 70 points per game.

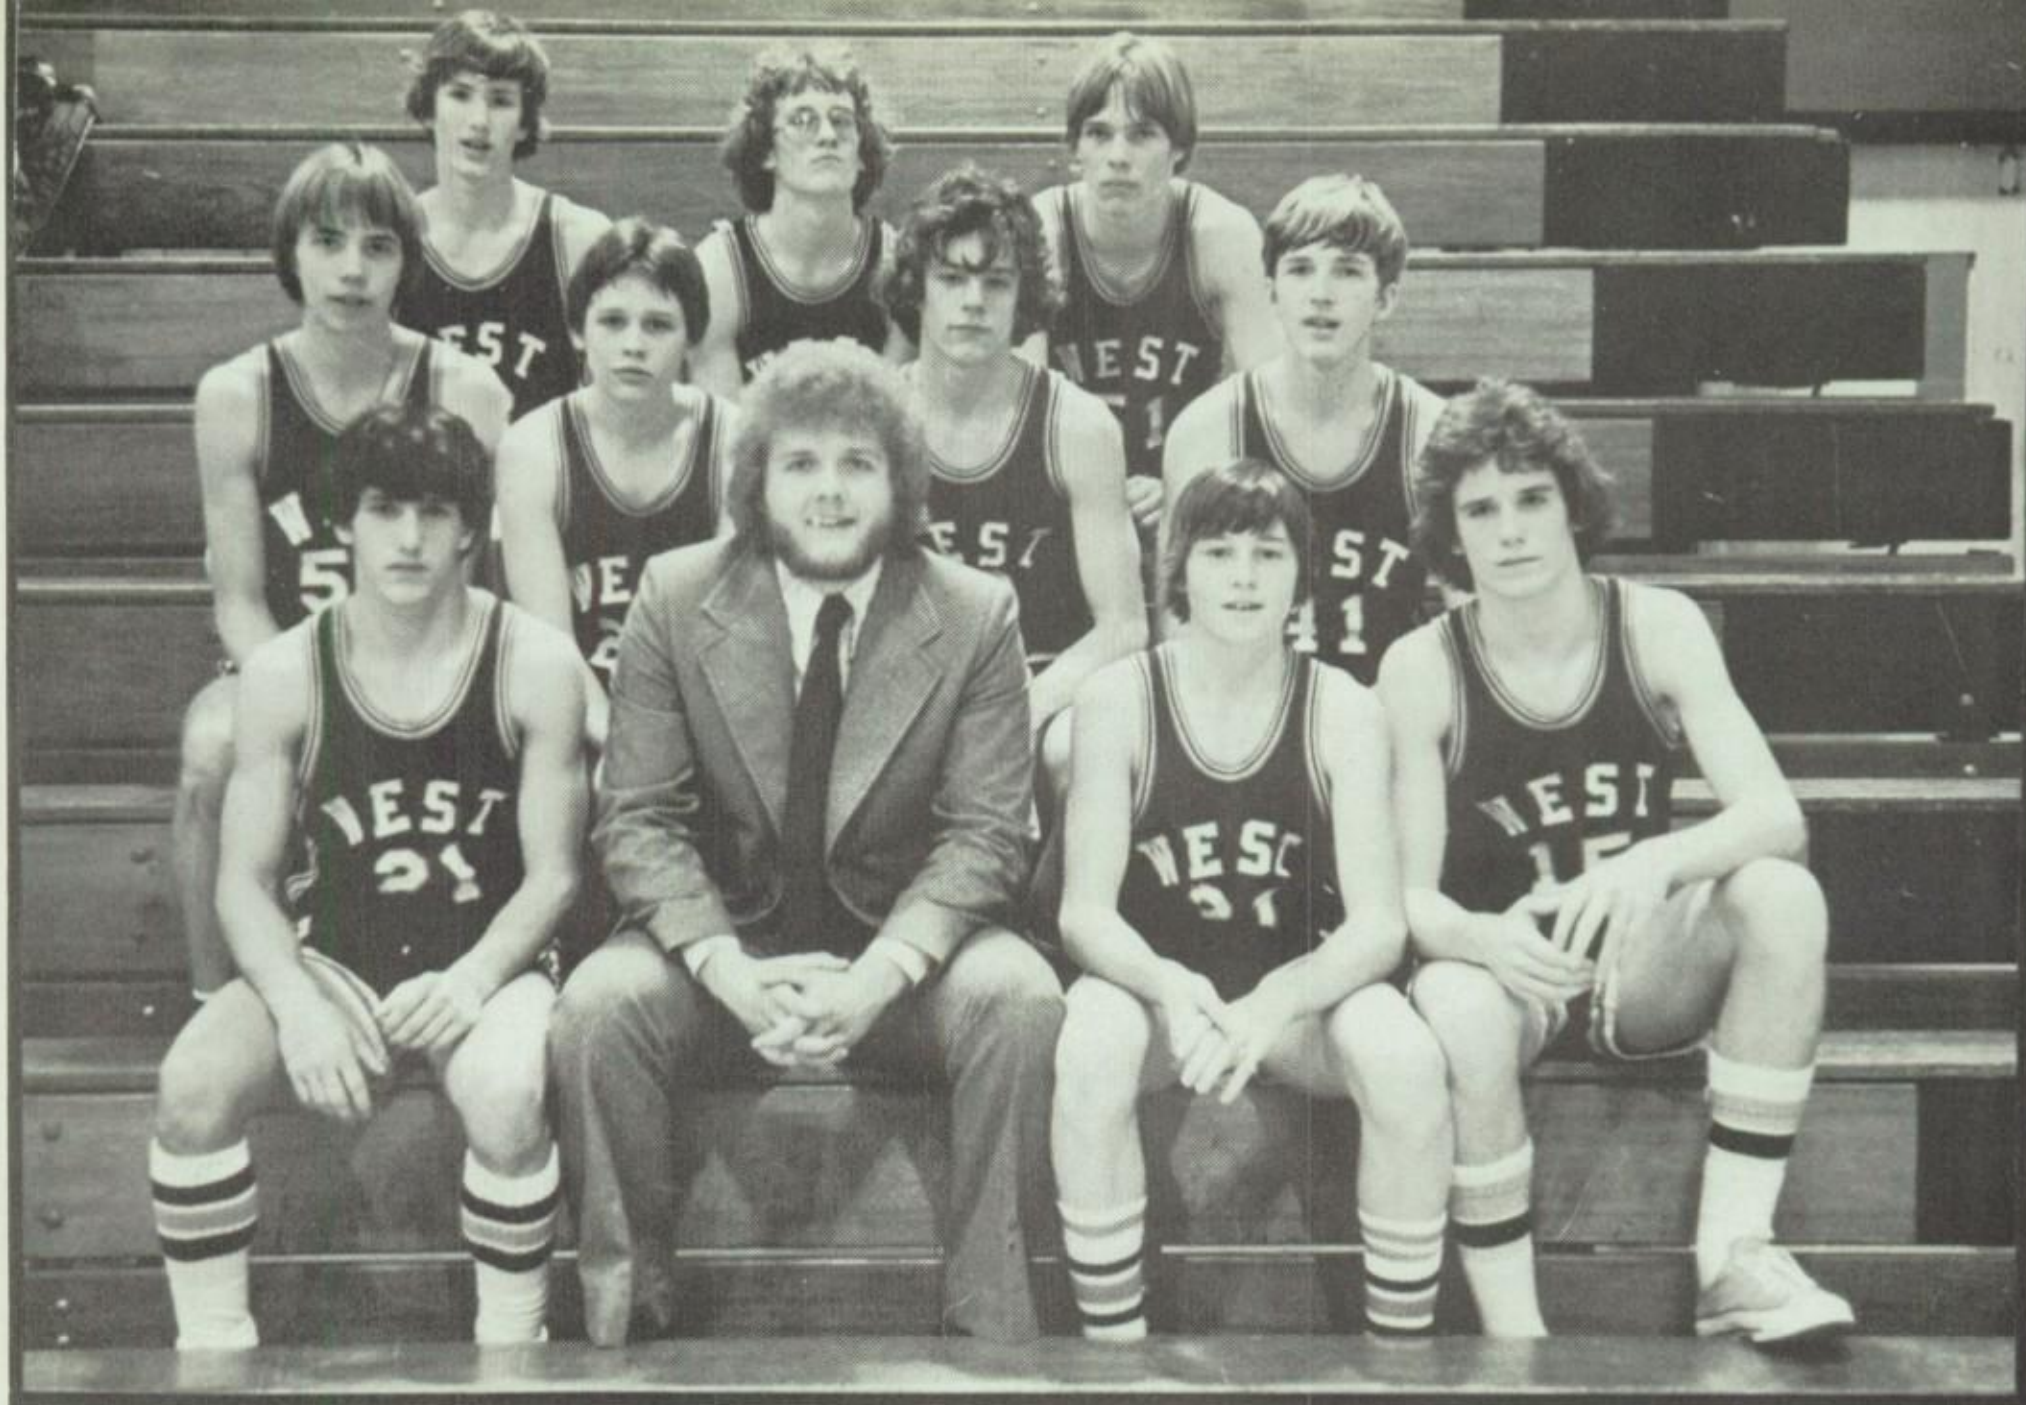

Outstanding personal performances turned in by Dave Niles, this years co-captain, allowed Dave to set a new school career scoring record with 1,068 points. Dave's honors include being placed on All-Metro, All-League, All-Suburban, which he captained, and All-State teams.

Co-captain Mike Susko also received All-League honors.

Junior Class Succeeds

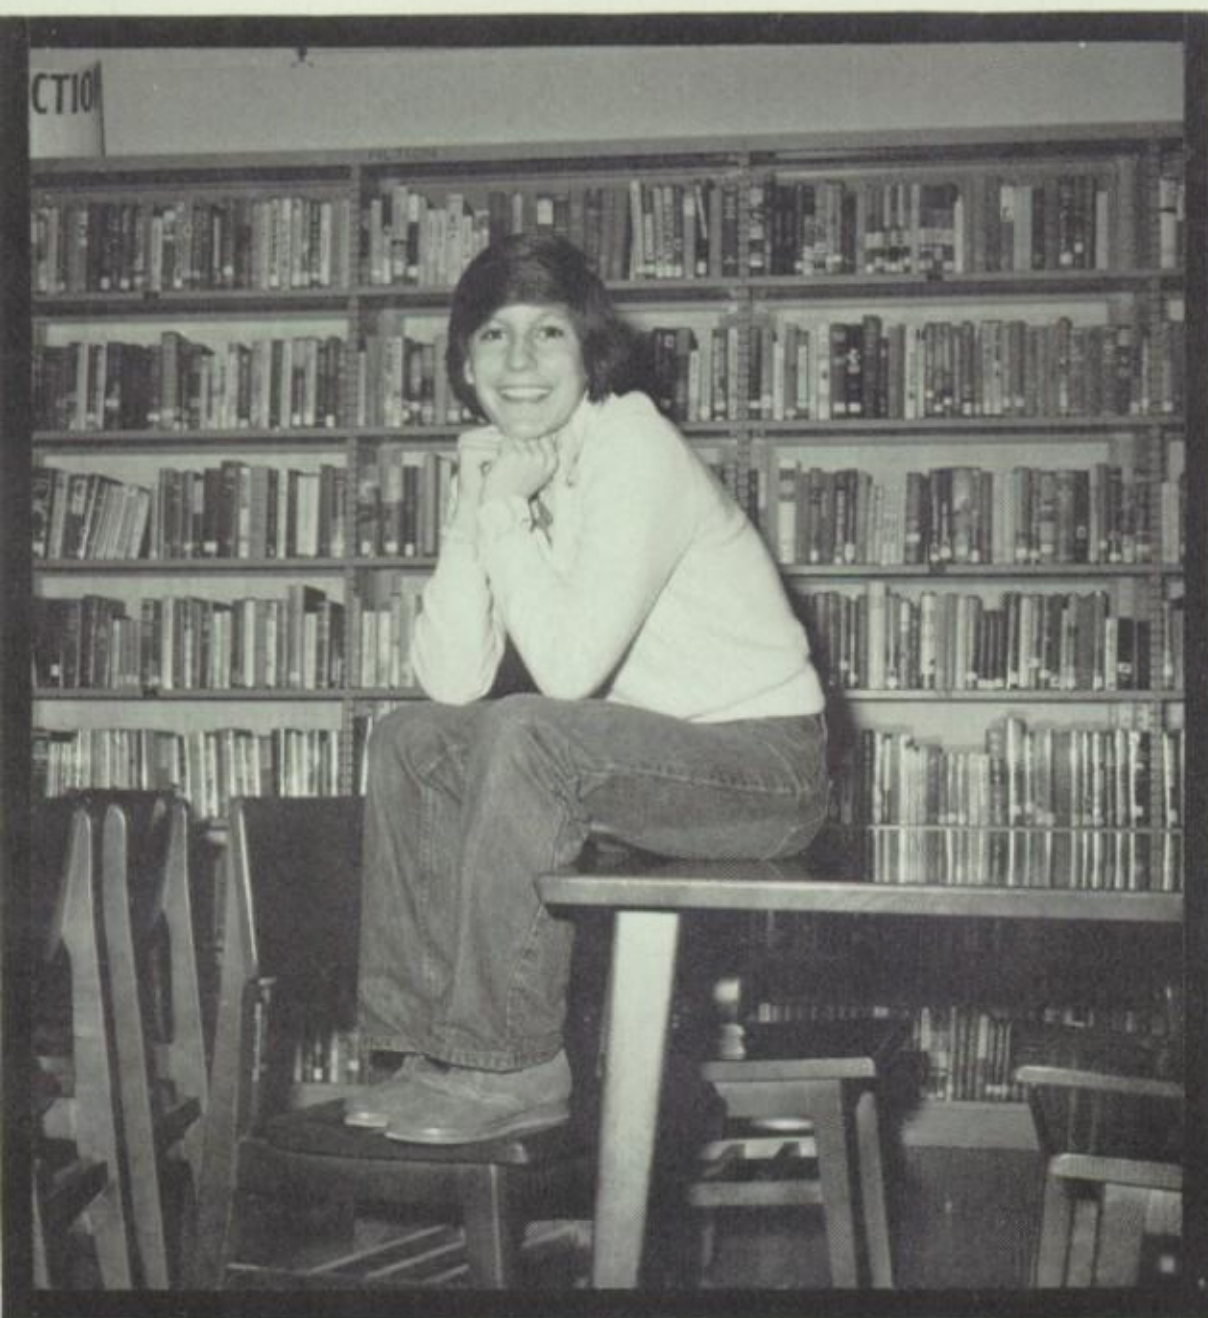

President Al Brackett

The Junior Class, under the leadership of its officers, showed just how spirited they really were. In this year's Homecoming float competition, the Juniors startled everyone by taking first place. They also took first place in the spirit chain contest and second in the overall Homecoming activities. The Juniors had many money making projects which included the sale of suckers and candy canes. This years Junior Class proved to be a most spirited one.

Tiger Band Marches On To Better Things

A base player has a hard time keeping his mind on the music.

Mr. Kitzman is joined by the officers of the band; Judy Hart, Cathy Dvorak, Tony Biegalski, and Heidi Brown.

Cheryl Kaiser is assisted at the piano by Keith Buckner.

The West Band of the 1975-76 season displayed their musical abilities at the football games, the basketball games, Kaliedscope and various concerts throughout the year. They even initiated a dance routine to accompany their music. The band's appearance at school activities helped promote spirit and excitement and added a great deal to any event they attended. The band was led by Mr. Kitzman and the drum majors, Rick Smith and Rick Burgos.

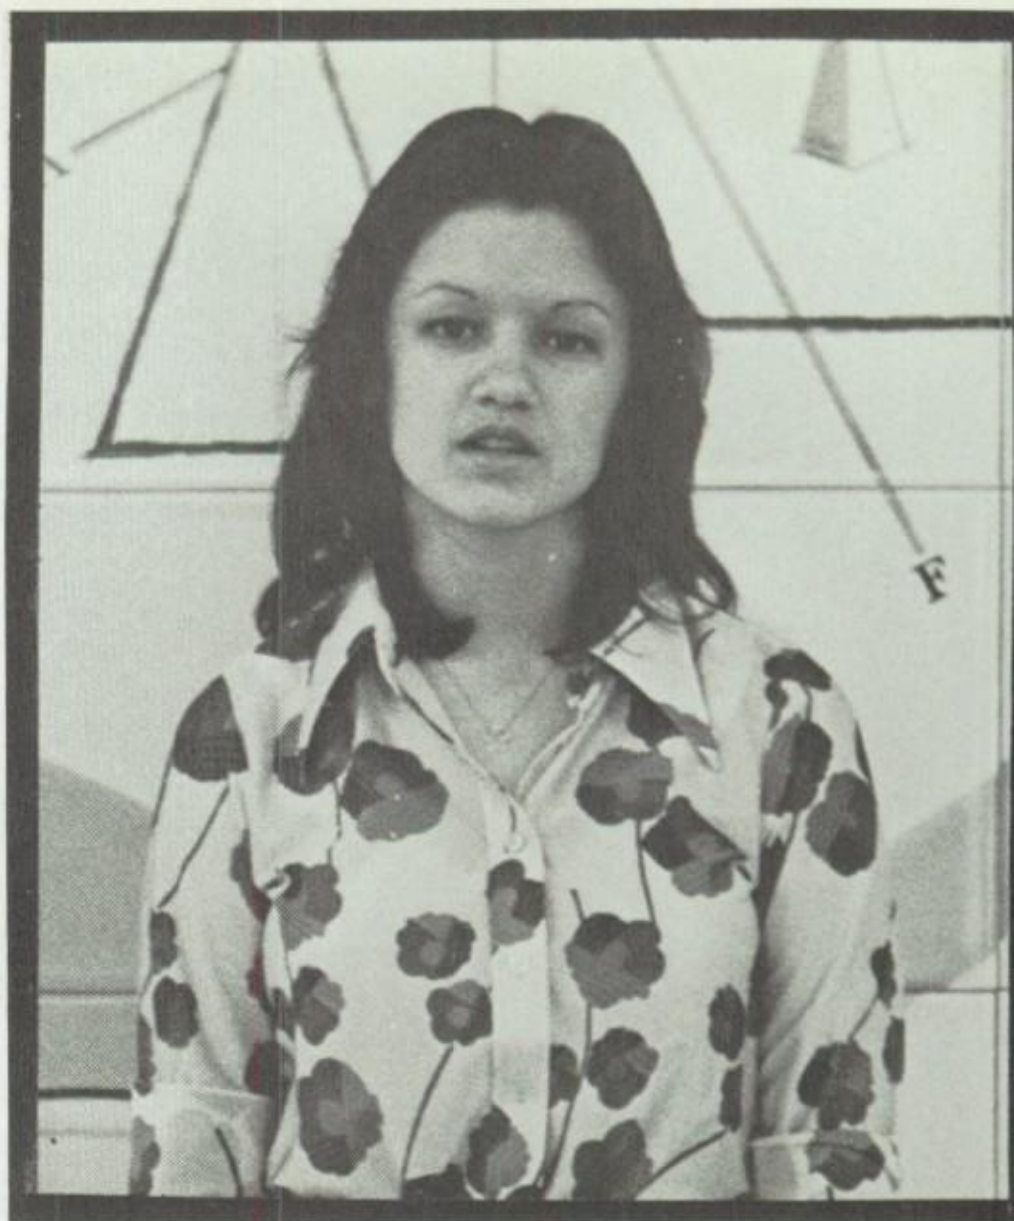

Sophomores

Sophomores Strive For Perfection

Coming into West with lots of enthusiasm and spirit was the Class of 78. To raise money they had car washes in September, bake sales in October, and sucker sales in November. They kept busy by planning an exchange day and helped Student Government with the school courtyard. Heading the class is Cynthia McDonell fulfilling the office of President, with Janet Huhn as the Vice President, Mary McGraw served as secretary and Patte Smith as class treasurer.

The Men Up Front

The administrative staff this past year was cut from the usual three members to two and one half. Mr. Niland and Mr. Gutman continued their duties as principal and associate principal respectively. Mr. Grant, from Central Office took over the duties of assistant principal on a part time basis.

Secretaries are an important part of the main and counselors offices. They help students and teachers alike by offering information and making appointments. By typing letters for the administrators and running the computers they save work and worry.

Language Skills Teach Communication

Despite the declining enrollments in the English department, the English teachers have worked to maintain their programs. Spanish, French, and German have also been forced to consolidate student resources.

The Social Studies department has drastically changed its curriculum. Rather than the traditional American History and government classes, the department is now offering 10 week quarter credit classes. Mr. Barlow and Mr. Henry stated that these quarter classes are great. As Mr. Henry put it, "Variety is the spice of life."

The major change in the business department was the implementation of a Kelly Girl Program. These girls were selected business education students who perform secretarial duties for administration, counselors, and teachers while at the same time earn school credit.

Special Classes Fulfill Students' Needs

A Stitch In Time...

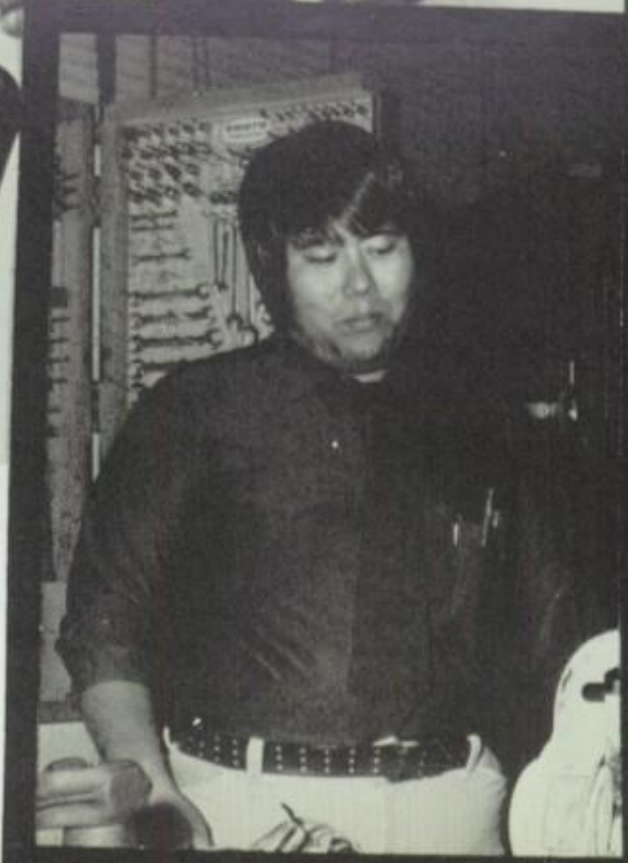

In the home economics department at West, the students learn the art of homemaking. Aside from the standard classes of cooking and sewing, interesting courses such as The Child, Family Living and Interior Decorating are also offered. Because of this wide variety, students are able to achieve a better understanding of what it takes to create a modern home.

The Co-op program helps students to maintain their occupations while, at the same time, earn necessary school credits. The other special programs, such as program learning, are geared to help the individual improve himself.

Industry Moves the Wheels of Progress

From the Depths of Imagination Come Art and Music

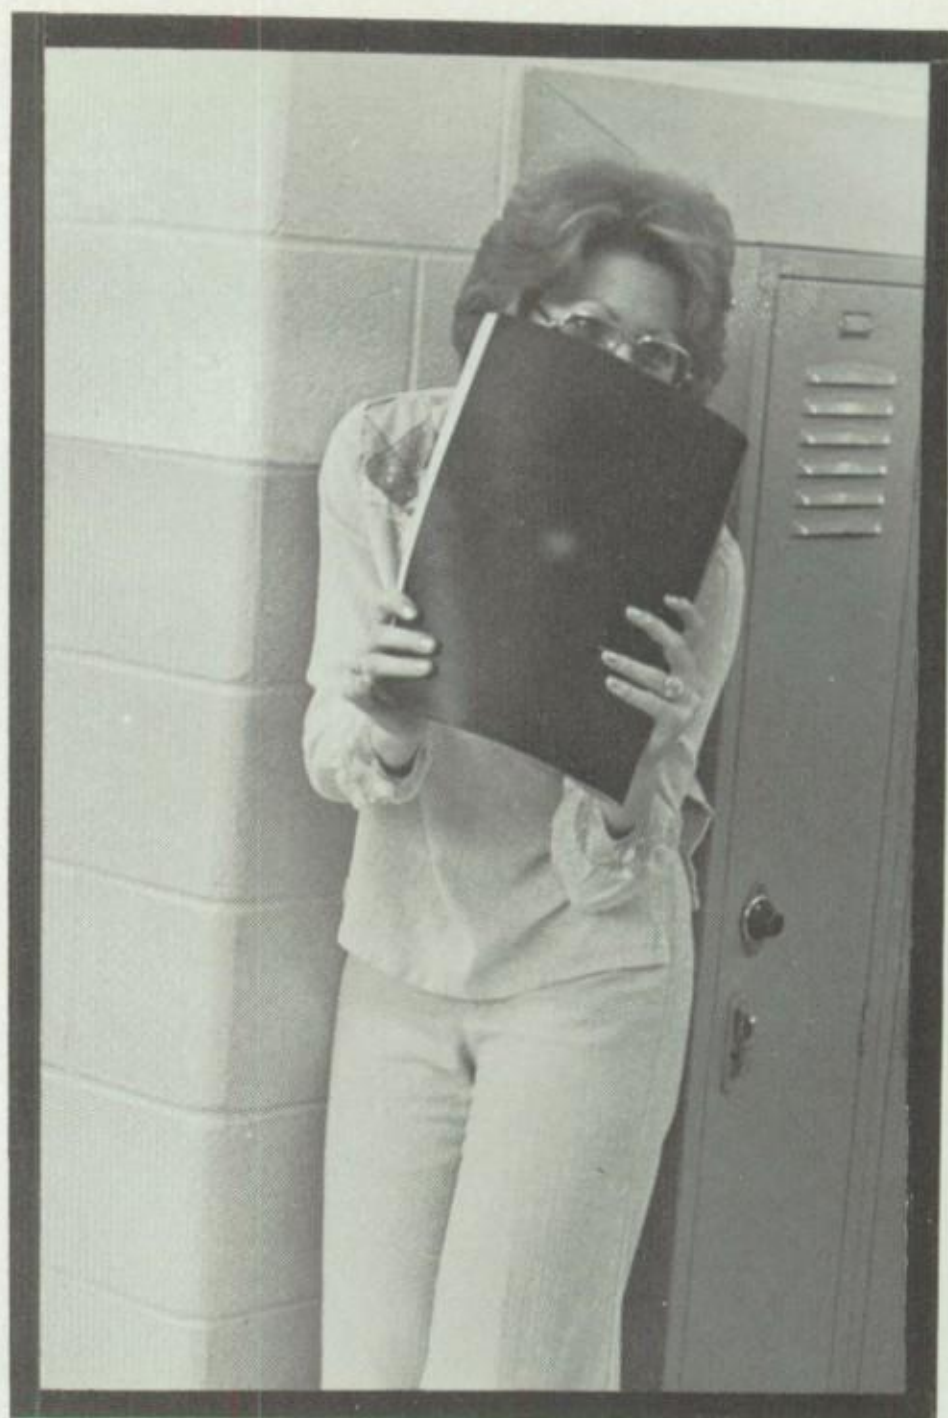

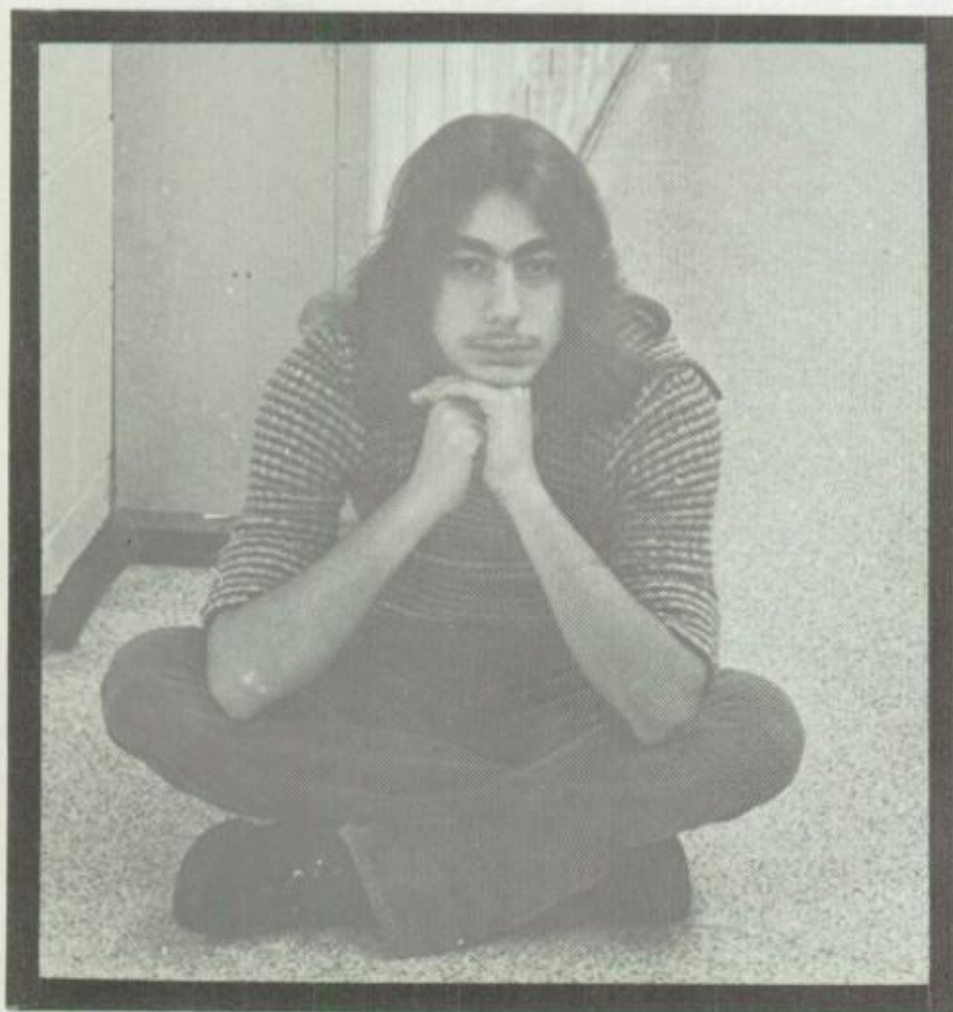

The Industrial Arts sections were involved in many different areas. The Graphic Arts department helped produce the school newspaper "Focus". They also helped print attendance and grade books for teachers.

The Small Engine Mechanics class helped save many students money by doing some minor repairs on their cars.

Show your moods, don't be shy.
Be yourself. Be different if you
choose. For if everyone were the
same what a dull world this would
be. Do your own thing and do it
well. Show the world what you
can do.

CLASS OF "76" FLAKING OFF

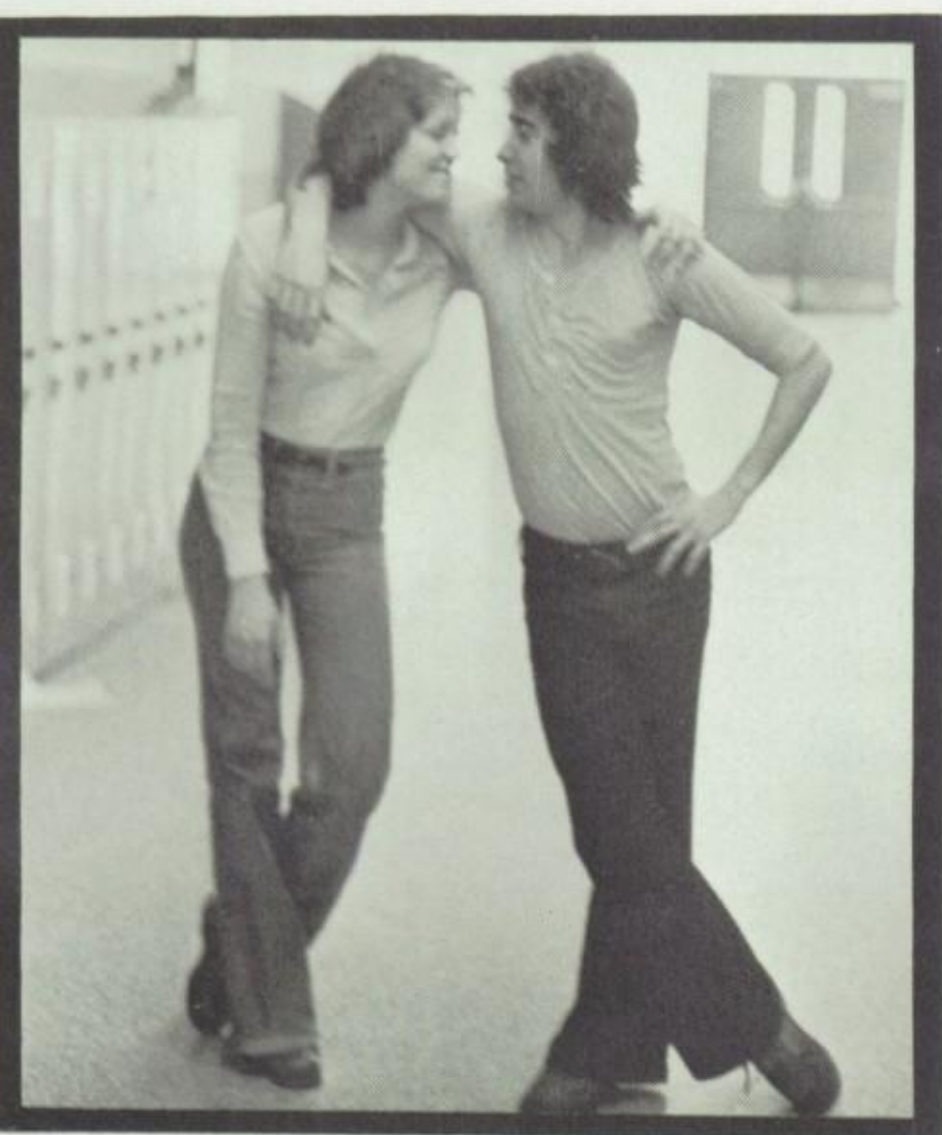

Student Body Caught in the Act

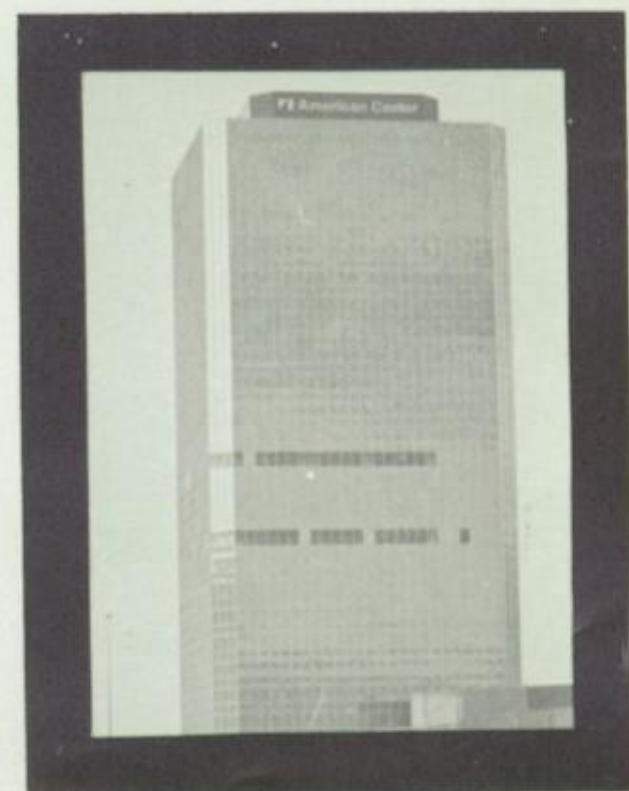

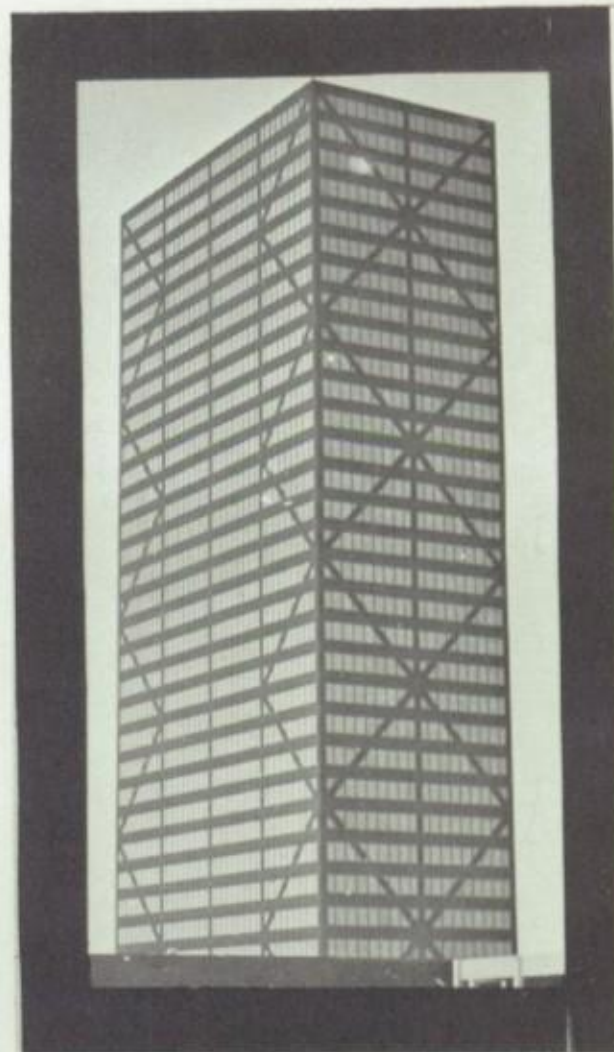

People change from day to day,
Some of them change a certain way.
Some are shy, some are mean, some are
